DATA ALWAYS AT YOUR FINGERTIPS

USB-C and USB-A in a single cable

On one end there is a modern USB-C connector, and on the other the popular USB-A. This configuration allows you to easily connect a smartphone or tablet to a laptop or computer equipped with a traditional USB port.

1.2 metres of freedom

The 1.2-metre length ensures comfortable use of the cable at your desk, with your computer or with a charger. The cable provides sufficient freedom whilst not taking up unnecessary space.

ENERGY WHEN YOU NEED IT

USB 2.0 standard

The cable operates to the USB 2.0 standard, making it ideal for transferring photos, documents, music and other files between compatible devices. It is a convenient solution for both home and office use.

TRUST BACKED BY A GUARANTEE
