POWER THAT KEEPS PACE WITH YOU

10Gb/s for demanding users

The Qoltec USB-C to USB-C cable, compliant with the USB 3.1 standard, provides a data transfer rate of up to 10Gb/s, allowing you to efficiently transfer photos, videos, documents and other files. It is a good solution wherever fast data transfer between compatible devices is essential.

ONE CABLE, MANY POSSIBILITIES

One cable for multiple devices

Universal USB-C connectors mean that a single cable can support a range of everyday devices. It's a practical choice for work, study and your home computer setup.

Optimal length of 1 metre

The 1-metre length ensures a convenient connection between devices located close to one another. The cable works well on a desk, with a laptop or computer, helping to keep things tidy and minimise cable tangles.
