

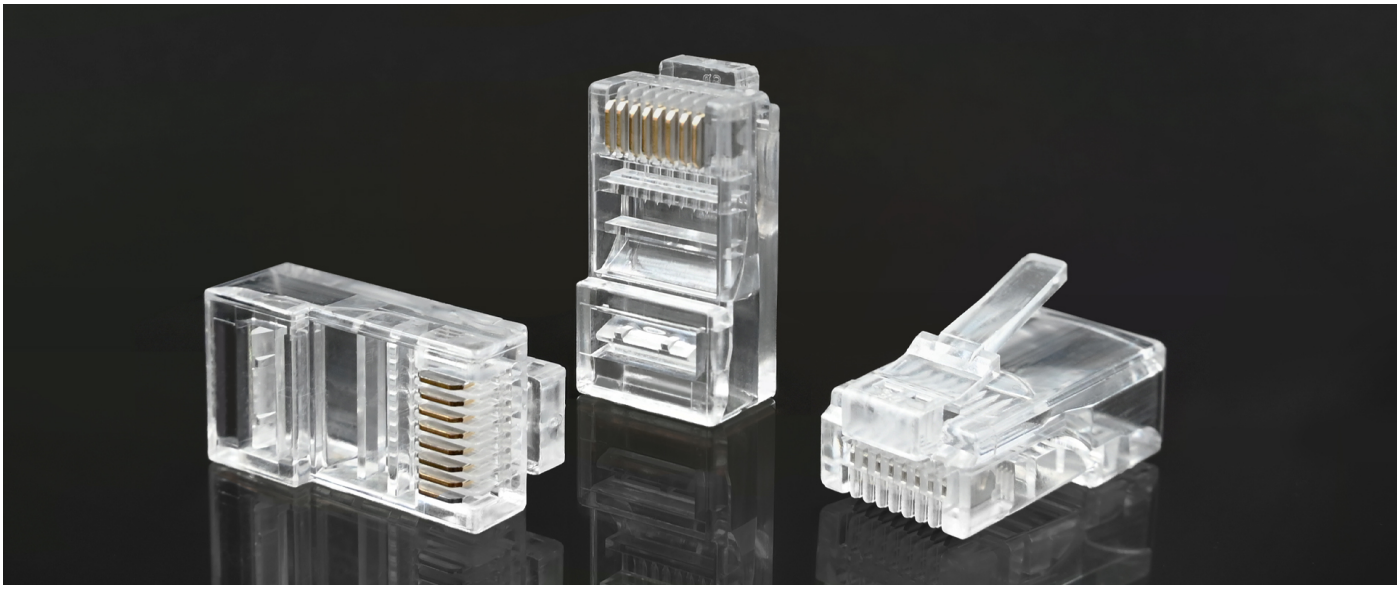
Qoltec RJ45 Through connector plug | CAT5e | UTP | Pass Through | Gold plated contacts | 10 pieces

Product code: 54543

RJ45 connector commonly used to create connections in LANs, for connecting unshielded Ethernet Category Cat5e cables. The connector is made in the Pass Through system. It has 8 pins and gold-plated contacts. Set contains 10 pieces.

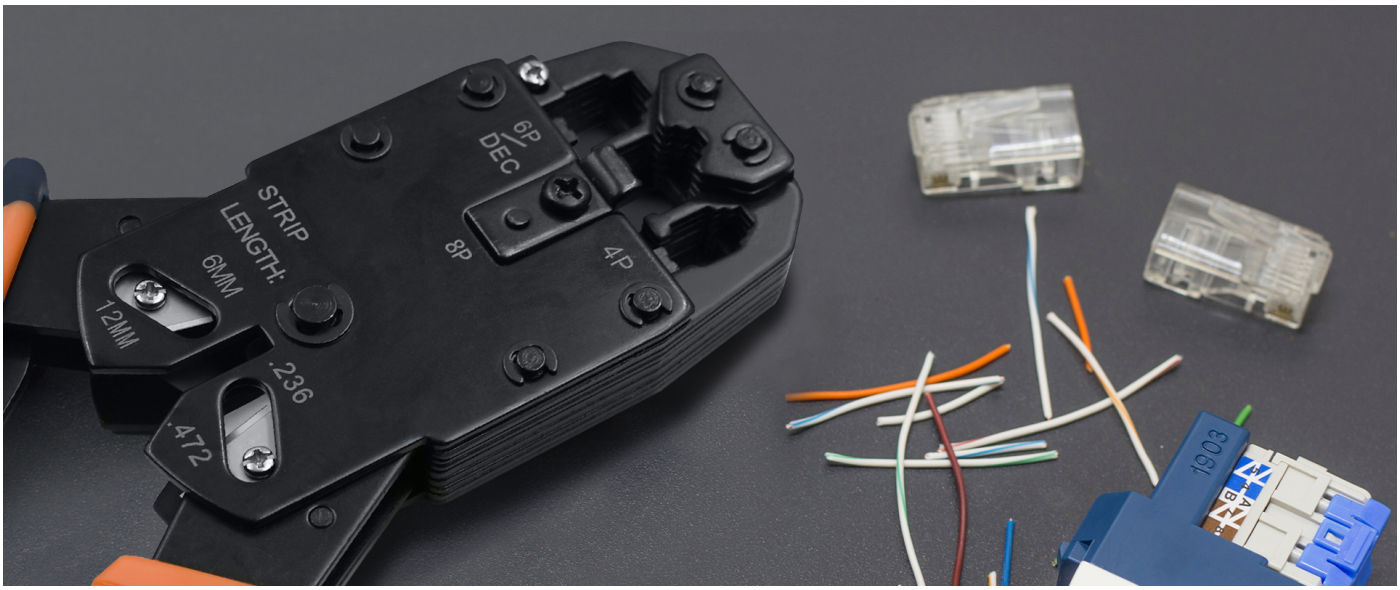
COMPATIBLE WITH UTP CAT5E PATCHCORD CABLES



Push-through RJ45 UTP plugs with gold-plated contacts

A high quality set of transparent RJ45 connectors with a Pass Through design, compatible with UTP Cat5e patchcord cables. The connector has gold-plated metal contacts for improved conductivity and corrosion protection. Ideal for use in telecommunications, computer network installations or for connecting various types of devices requiring network support. Particularly useful for installations where there is a need to connect cables quickly and easily. Remember to ensure that the plugs and cables are category-compatible for optimum network performance

HIGHER CONNECTION RELIABILITY



Better and more precise clamping compared to standard plugs

RJ45 straight-through connectors not only **offer significantly better and more precise crimping compared to standard plugs** , but also **provide higher connection reliability in telecommunications** and computer networks. Simply pull all eight wires through the connector, making it easy to control the even and correct order of the wires before crimping. This is the **perfect solution for professionals** who value efficiency, precision and durability in their installations. We recommend using a dedicated crimping tool.

CONFIDENCE CONFIRMED BY A WARRANTY

Quality Guarantee - Your Secure Connection

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. **The product comes with a 24-month guarantee valid from the date of purchase**.

TECHNICAL DATA

Producer	Qoltec
Standard	CAT5e
Type connectors	UTP
Colour	Transparent
Material	Plastic
Usage	Computer networks Home installations Audio/video systems
Additional information	10 pieces
Dimensions (D/L x W x H)	22 x 11 x 18 mm
Package contents	1 x Pack of 10 RJ45 CAT5e connectors
Package depth / length [mm]	100
Package width [mm]	70
Package height [mm]	10
Net weight [kg]	0.010
Gross weight [kg]	0.013
Warranty	24 month
EAN code	5901878545431
