

Qoltec 65W GaN Super Fast Charger | 5-20V | 3-3.25A | USB-C 3.1 | Laptop | Smartphone | Tablet

Product code: 52419

GaN Super Fast 65W AC charger provides fast and safe charging based on Power delivery fast charging technology. It allows you to charge devices such as smartphones, tablets, laptops and other electronic devices equipped with a USB-C port. The sleek, lightweight and compact design guarantees convenience and comfort.

PRECISE ADJUSTMENT OF CHARGING PARAMETERS - GAN + POWER DELIERS

Fast, efficient and energy-saving charging thanks to modern gallium nitride material
Qoltec charger **uses advanced GaN (gallium nitride) technology, a state-of-the-art semiconductor material** , which significantly outperforms traditional silicon in terms of energy efficiency. Thanks to this **The device delivers maximum charging power in a shorter time while reducing energy loss and heat emission** . **In addition, it supports the USB-C Power Delivery standard** , which ensures fast and precise charging of devices according to their requirements. It can charge a battery in as little as **30 minutes to about 60%**. In summary, this means **Faster charging, higher efficiency and lower power consumption.**

YOUR SAFETY IS IMPORTANT TO US

Efficiency and safety through intelligent power matching
Qoltec GaN chargers are **guarantee of stable and safe use**. Thanks to **intelligent device recognition system automatically adjusts the charging power to their needs, eliminating the risk of overheating, overloading or overcharging the battery** . Additionally, **Carefully selected components and high quality workmanship translate into a long life of the charger and its extremely low failure rate —** regardless of the intensity of daily use.

CHARGE YOUR DEVICES IN RECORD TIME - DISCOVER THE BENEFITS AND CAPABILITIES OF GAN TECHNOLOGY

One charger for Smartphone, Laptop, MacBook - full compatibility
Thanks to its compact and lightweight case, you can always carry it with you . It takes up less space than standard chargers, so you can easily fit it in your bag, backpack or pocket. It is perfect for home, work, and travel - as a charger for your smartphone, smartwatch, laptop, wireless headphones and many other devices.

STYLE AND PRACTICALITY IN ONE - COMPACT FORM, MODERN DESIGN

Elegance and functionality - robust design
Designed with functionality and aesthetics in mind. Carefully crafted, durable casing provide convenience for daily use, regardless of location. **The minimalist design and universal color scheme make it blend well with any interior and equipment** . What's more, one device to charge a wide variety of equipment not only saves space and money, but also is a step toward a greener lifestyle.

CONFIDENCE CONFIRMED BY A WARRANTY

Quality Guarantee - Long-lasting Power, Reliable Performance
Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the network chargers we offer is covered by a **24 month warranty valid from the date of purchase**.

TECHNICAL DATA

Producer	Qoltec
Type	GaN
Maximum power	USB-C : 65W
Input voltage	220 - 240 V
Output voltage	5-20V
Voltage range	USB-C : 5V~3A, 9V~3A, 12V~3A, 15V~3A, 20V~3.35A
Output current	3-3.25A
Frequency	50 - 60 Hz
Socket type	
Plug	1 x USB-C PD
Cable length	1.80m
Usage	Smartphone Laptop Tablet Powerbank Wireless headphones Wireless speakers Portable gaming console Smartwatch
Safety	- against under- or over-voltage input, - against overcharge, - short circuit in the power supply circuit, - against overheating.
Additional information	Level VI
OTHER PARAMETERS	
Colour	Black
Dimensions (D/L x W x H)	35 x 120 x 30 mm
Package contents	1 x GaN charger 65W 1 x Warranty card
Package depth / length [mm]	180
Package width [mm]	86
Package height [mm]	33
Net weight [kg]	0.150
Gross weight [kg]	0.180
Warranty	24 month
EAN code	5901878524191
