

Qoltec Active HDMI Splitter 4 x HDMI 4K x 2K | 3.4Gb/s | High stability

Product code: 51798

Designed with the latest standards in image resolution in mind, our robust HDMI Splitter offers full compatibility with a wide range of HDMI source devices, including TVs, computers, laptops, consoles and more. With support for 4K 30Hz resolution, you can enjoy incredibly sharp images and dynamic colours. Easy to use with plug and play functionality.

DISCOVER THE FULL POTENTIAL OF YOUR MULTIMEDIA SYSTEM WITH THE HDMI SPLITTER FROM QOLTEC

Transmission of HDMI signal in 4Kx2K resolution to 4 receivers simultaneously
If you are looking for a reliable and efficient solution for splitting an HDMI signal to several receivers, then our active splitter from Qoltec is the ideal choice. Thanks to its innovative technology and robust design, **our splitter guarantees stable and smooth signal transmission from a single source to up to four devices simultaneously** . This functionality allows you to uniquely expand the use and enjoyment of your multimedia system, **without the need for additional complex solutions or costly investments** in additional devices. Now you can enjoy your favourite films, video games or presentations on several receivers at the same time.

FUNCTIONALITY ALWAYS AT HAND

4Kx2K resolution, 8-channel audio format, Dolby True HD, DTS-HD and 3D support
Discover new possibilities with the Qoltec splitter, which additionalli offers :
- maximum **4K/2K resolution -** provides unparalleled picture quality, allowing you to watch your favourite content in high definition,
- 8-channel sound - thanks to **compatibility with Dolby True HD and DTS-HD Master Audio**, our splitter provides lossless sound quality,
- **guaranteeing stable connectivity between media**: Connects a variety of devices, such as TV, computer, laptop, projector, home cinema or games console, ensuring smooth and reliable signal transmission,
- **has 6 LEDs** to indicate the current operation of the device,
- our splitter is **compatible with Blu-ray disc, DVD audio and Super audio CD formats**.

EXPAND YOUR MULTIMEDIA CAPABILITIES AND ENJOY SUPERIOR VIDEO AND AUDIO QUALITY

Simple and quick installation
Our device **offers an instant and hassle-free installation** that requires no technical expertise. With just a few simple steps, you can enjoy excellent picture and sound quality. Firstly, with your **devices switched off, connect the HDMI cables to the appropriate connectors -** one from the signal source and the other to the receivers. Then **plug in the power supply and you're up and running**. Even those unfamiliar with the technical details can easily set up our splitter.
