

Qoltec Cable Patchcord FTP | CAT6 | 2 x RJ-45 | 1.5m | High speed | Gold | Shielded

Product code: 54536

Qoltec Patchcord FTP Cat.6 cable with a length of 1.5m, terminated with two gold-plated RJ-45 type connectors in a sealed sheath. Used for Ethernet connections such as in offices, data centers, or even home computer networks. Allows data transfer at speeds of up to 10Gb/s. The cable have an additional protective shield.

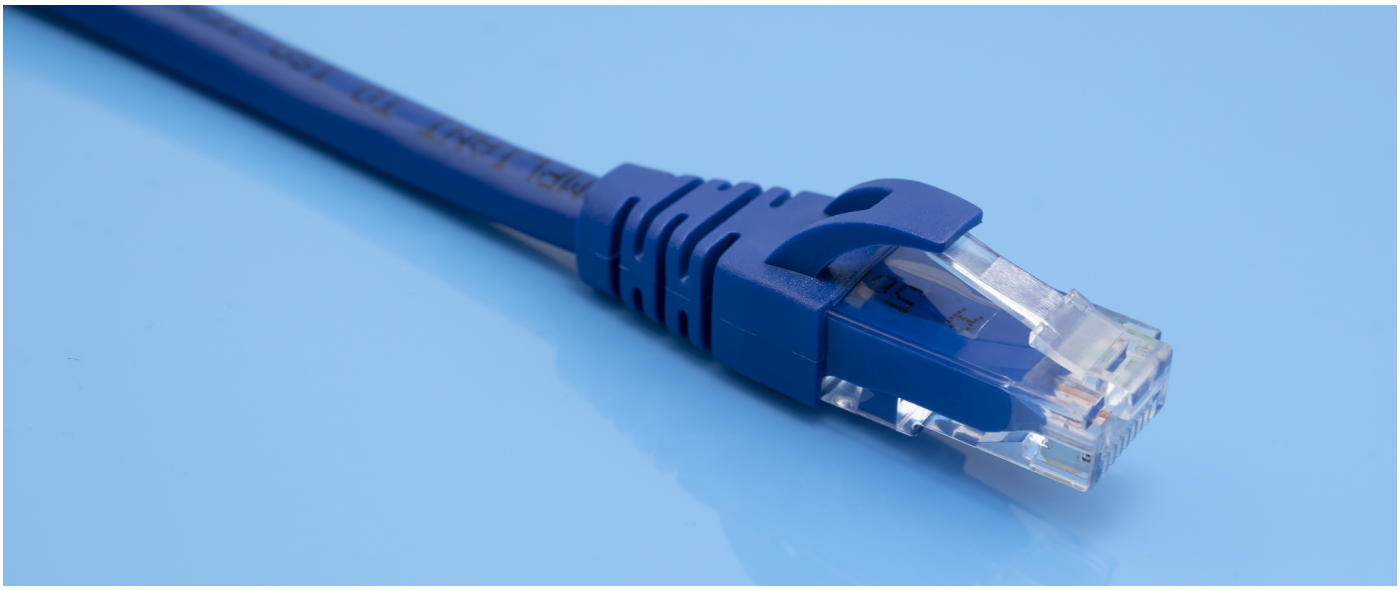

HIGH-SPEED TRANSMISSION AND STABLE CONNECTION

Quickly transfer data at speeds of up to 10 G/s

Qoltec's **FTP CAT6** cable is a **1.5m** shielded cable designed to support data **transfer speeds of up to 10 Gigabit** per second on Ethernet networks. Suitable for **high-speed data transfer applications such as file transfer, video streaming, video conferencing requiring high network bandwidth**. Particularly used in data communication networks, computer networks, power transmission, data transmission and monitoring systems.

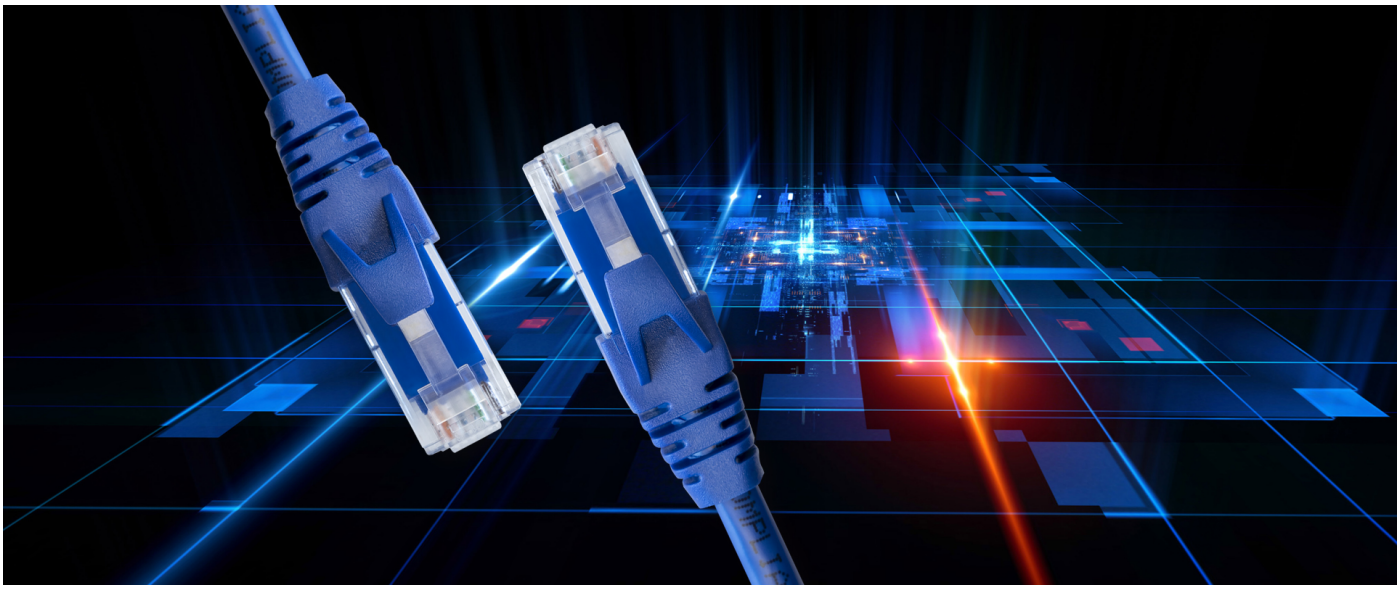

ACHIEVE A NEW LEVEL OF NETWORK EFFICIENCY

Eight pairs of twisted wires, gold-plated terminals covered with a plastic sheath

- It consists of eight twisted pairs of wires,
- The cable sheath is made of PVC,
- Each pair of wires is **covered with an insulating layer** to protect against interference,
- **Shielded -** have an additional protective screen,
- At both ends of the cable are **RJ-45 connectors -** standard modular connector equipped with **8 pins**,
- **The ends of the cables are gold-plated for better signal conduction**,
- The ends of the RJ-45 connectors are **covered with a plastic shield**, which helps protect the ends from mechanical damage and maintains a **stable connection**,
- **High quality** construction confirmed by warranty.

CONFIDENCE CONFIRMED BY A WARRANTY

Quality Guarantee - Your Secure Connection

Zależy Ci na wysokiej jakości kupowanego produktu? Nasze rozwiązania spełnią Twoje oczekiwania. **Produkt objęty jest 24 miesięczna gwarancją obowiązującą od dnia zakupu.**

TECHNICAL DATA

Producer	Qoltec
Type patchcord	Shielded
Category	CAT6
Class	FTP
Type connectors	2 x RJ-45
Transmission speed	10Gb/s
Coating	PCV
AWG cross section	26AWG
Cross-section of a vein	7 x 0.16mm
Conductor construction	Copper
Additional information	Gold-plated plugs Multicore Uncrossed cable
OTHER PARAMETERS	
Colour	Blue
Cable length	1.5m
Package	Blister
Package contents	1 x Cable Patchcord
Package depth / length [mm]	246
Package width [mm]	205
Package height [mm]	10
Net weight [kg]	0.061
Gross weight [kg]	0.066
Warranty	24 month
EAN code	5901878545363
