

Qoltec Cable Patchcord UTP | CAT5e | 2 x RJ-45 | 2m | High speed | Gold

Product code: 54522

Qoltec Patchcord UTP CAT5e cable with a length of 2m, terminated with two gold-plated RJ-45 type connectors in a sealed sheath. Used for Ethernet connections such as in offices, data centers or even home computer networks. Allows data transfer at speeds up to 1 Gbps over a distance of up to 100 meters . The cable does not have an additional protective shield.

HIGH-SPEED TRANSMISSION AND STABLE CONNECTION

Quickly transfer data at speeds of up to 1 G/s

Qoltec's UTP CAT5e cable is a 2m unshielded cable designed to support data transfer speeds of up to 1 Gb/s on Ethernet networks. Suitable for high-speed data transfer applications such as file transfer, video streaming, video conferencing requiring high network bandwidth . Particularly used in data communication networks, computer networks, power transmission, data transmission and monitoring systems.

ACHIEVE A NEW LEVEL OF NETWORK EFFICIENCY

Eight pairs of twisted wires, gold-plated terminals covered with a plastic sheath

- It consists of eight twisted pairs of wires,
- The cable sheath is made of PVC,
- Each pair of wires is **covered with an insulating layer** to protect against interference,
- **Unshielded** - does not have an additional protective screen,
- At both ends of the cable are **RJ-45 connectors** - standard modular connector equipped with **8 pins**,
- **The ends of the cables are gold-plated for better signal conduction**,
- The ends of the RJ-45 connectors are **covered with a plastic shield**, which helps protect the ends from mechanical damage and maintains a **stable connection**,
- **High quality** construction confirmed by warranty.

CONFIDENCE CONFIRMED BY A WARRANTY

Quality Guarantee - Your Secure Connection

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. Product is covered by a 24-month guarantee valid from the date of purchase.

TECHNICAL DATA

| | |
|--------------------------------|---------------------|
| Producer | Qoltec |
| Type patchcord | Unshielded |
| Category | CAT5e |
| Class | UTP |
| Type connectors | 2 x RJ-45 |
| Transmission speed | 1Gb/s |
| Coating | PCV |
| Conductor diameter | 0.405 mm |
| Conductor cross-sectional area | 0,129 mm |
| AWG cross section | 26AWG |
| Cross-section of a vein | CU |
| Additional information | Gold-plated plugs |
| OTHER PARAMETERS | |
| Colour | Grey |
| Cable length | 2m |
| Package | Blister |
| Package contents | 1 x Cable Patchcord |
| Package depth / length [mm] | 246 |
| Package width [mm] | 205 |
| Package height [mm] | 10 |
| Net weight [kg] | 0.079 |
| Gross weight [kg] | 0.083 |
| Warranty | 24 month |
