

Qoltec Fiber optic connector cleaning cartridge

Product code: 54483

The LC, SC, FC, ST, D4, MU, MT, DIN fibre optic connector cleaning cartridge is a key element in maintaining optimum performance of fibre optic networks, which translates into reliability, durability and signal clarity. Regular connector cleaning is essential to maintain optimum network performance. One cassette means cleaning up to 550 connectors.

IMPROVE SIGNAL QUALITY OF FIBRE OPTIC CONNECTORS

Effective in removing stains

The cleanliness of optical fibre connectors is a key element that affects the effective transmission of signals. Even the smallest contaminants, such as dust, moisture or greasy deposits, can significantly affect the quality of the connection and weaken the signal. **Cleaners remove all contaminants from the surface of the connectors, resulting in clarity and signal strength and less interference and failures.**

FAST AND EFFECTIVE CLEANING OF CONNECTORS

Isopropyl alcohol soaked wipes for connectors type SC, FC, ST, D4, LC, MU, MT, DIN

Cleaning cassette for **SC, FC, ST, D4, LC, MU, MT, DIN** type fibre optic connectors. Contains special **cloths soaked in isopropyl alcohol**, gentle on connectors, effectively removes dirt. The simple operation of the device makes connector cleaning quick and easy. **One cassette is sufficient to clean up to 550 connectors**.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. The accessories we offer come with a **24-month guarantee** valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Material	Plastic
Colour	Green, blue
Dimensions	85 x 125 x 37 mm
Dimensions of wipes	2.5 x 1.25 mm
Package contents	1 x Fibre optic connector cleaning cartridge
Package	Box
Package depth / length [mm]	90
Package width [mm]	130
Package height [mm]	40
Net weight [kg]	0.141
Gross weight [kg]	0.160
Warranty	24 months
EAN code	5901878544830
