Qoltec Turbo fast charger PD 120W | 5-28V | 3-4.5A | USB-C | Laptop | Smartfon | Black

Product code: 52389

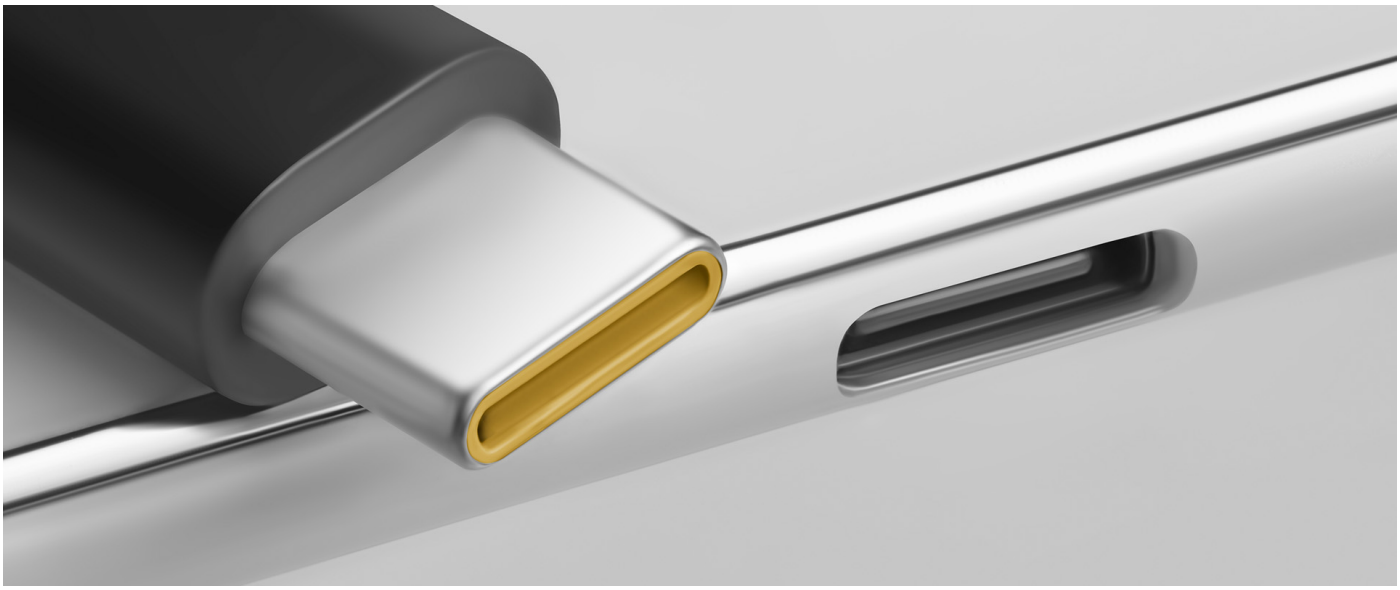
The Super Quick PD mains charger provides fast and safe charging based on Power Delivery fast charging technology. It precisely adjusts the maximum voltage and amperage of the transmitted current to the battery requirements of the connected device. The charger has a built-in USB Type-C cable.

ULTRA-FAST CHARGING AND PRECISE ADJUSTMENT OF CHARGING PARAMETERS

Innovative Qoltec 120W charger with Power Delivery technology

The Super Quick PD charger is a **ultra-fast, advanced and versatile charger from Qoltec** . It can charge your device up to **4 times faster than a standard charger** , The battery reaches around 60% in 30 minutes. **Precisely adjusts the maximum voltage and current of the transmitted current to the battery requirements of the connected device** . This allows you to use just one charger for different types of equipment.

UNIVERSAL USB TYPE C CABLE - FAST, VERSATILE AND EASY TO USE



USB-C connector - symmetrical plug, exceptional versatility

POWER DELIVERY technology uses the standard **USB-C**. It is an ultra-universal plug and supports the latest USB standards and technologies. The charger can be connected to any device, such as**smartphone, tablet, laptop, BT headphones** itp. **USB - C standard is a small 24-PIN symmetrical connector -** guarantee of correct connection and fast charging.

ELEGANT AND COMPACT

Versatile, Ergonomic and Stylish - Lightweight yet robust

Made**with attention to detail**. Light yet**robust construction and compact dimensions** , which are undoubtedly one of the product's greatest strengths, guarantee convenience and comfort of use, and **universal colour and ultra-modern design** further enhance the attractiveness of the charger. It is worth adding that **using one charger for several devices will not only save you money and space, but will also reduce electronic waste**, which will undoubtedly have a positive impact on the environment.

YOUR SAFETY IS IMPORTANT TO US

Constructed from high quality materials to ensure complete safety of use

A charger equipped with many preventive features to protect your device and you. **Has overcurrent, overvoltage, overheating and short-circuit protection** . Built from **high quality materials ensure complete safety of use**.

CONFIDENCE CONFIRMED BY A WARRANTY

Product with 24 months guarantee

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. Each of the mains chargers we offer is covered by the **24 month guarantee valid from the date of purchase**.

TECHNICAL DATA

Producer	Qoltec
Maximum power	120W
Input voltage	220 - 240 V
Output voltage	5-28V
Output current	3-4.5A
Frequency	50 - 60 Hz
Efficiency	Level VI
Plug	1 x USB typ C PD
Cable length	~1.60 m
Usage	Smartphone Laptop Tablet Powerbank Wireless headphones Wireless speakers Portable gaming console Smartwatch
Safety	Against under- or over-voltage input, Against overcharge, Short circuit in the power supply circuit, Against overheating
OTHER PARAMETERS	
Colour	Black
Dimensions (D/L x W x H)	100 x 95 x 30 mm
Package contents	1 x PD Charger
Package depth / length [mm]	202
Package width [mm]	133
Package height [mm]	35
Net weight [kg]	0.375
Gross weight [kg]	0.389
Warranty	24 month
EAN code	5901878523897
