

Qoltec Adapter Cable USB-C to HDMI high speed 4K | 60Hz | 32AWG | 2m

Product code: 50438

Connect your USB-C device to a monitor, TV, or projector with the Super High-Speed 4K Cable and enjoy the highest-quality visuals. It supports 4K resolution at 60Hz, delivering incredible sharpness, smooth motion, and vibrant colors.

CHOOSE QUALITY AND CONVENIENCE – OPT FOR THE USB-C TO HDMI 4K 60HZ CABLE AND ENJOY THE HIGHEST PICTURE QUALITY

Reliable transmission from USB-C to HDMI – up to 18 Gb/s

Our 4K USB-C HDMI cable **ensures smooth content display in 4K resolution at 60Hz and lightning-fast data transfer up to 18 Gb/s** . With Plug & Play technology, **it works immediately after connection –** no drivers required. High-quality construction and broad compatibility make it the perfect choice for everyday use.

RELIABLE CONNECTION IN THE HIGHEST QUALITY

Digital quality audio and video

The latest HDMI Ultra High speed 2.1 standard offers, among other things :

- Supports **4K resolution (3840x2160p) and a 60Hz** refresh rate,
- **Reliable data transfer speed up to 18 Gb/s**,
- **Unidirectional, transmits signal from USB-C to HDMI**
- **Plug & Play –** no drivers required,
- **Dynamic HDR** enhances color and contrast for realistic image reproduction,
- **Compatible with laptops, smartphones, and tablets equipped with USB-C ports**,
- **Backward compatibility –** also works with Full HD and HD resolutions,
- **High-quality construction**,
- **Transmits both image and sound in digital quality.**

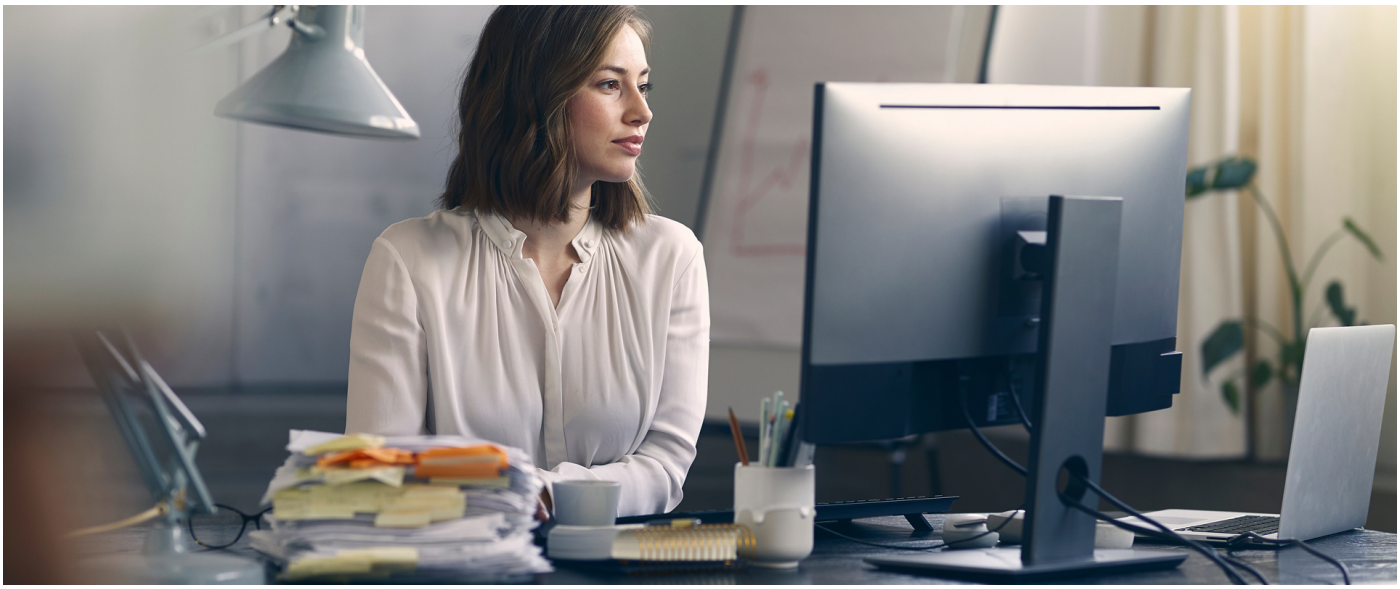

COMPATIBILITY WITH LAPTOPS AND SMARTPHONES

Compatibility with DisplayPort Alt Mode

The adapter is compatible with USB-C devices supporting DisplayPort Alt Mode, such as:
- **Gaming consoles (e.g., PlayStation, Xbox) –** Connect your device to a TV or monitor, achieving full 4K resolution and smooth gameplay performance.,
- **Laptop –** Expand your workspace with Extended Mode or mirror your screen to an external monitor, TV, or projector using Mirror Mode,
- **Smartfon –** With Samsung DEX and Huawei Easy Projection, transform your mobile device into a full desktop environment on a larger screen, making it easier to work with office applications and multimedia,
- **Tablet –** Use an additional screen to boost your work or entertainment efficiency, such as watching movies in 4K quality.

ALUMINUM CASING – EFFECTIVE HEAT DISSIPATION AND DURABILITY IN ONE

Durable, aluminum construction resistant to damage and wear

The compact cable size makes it **exceptionally practical and convenient**, while its lightweight design allows you to take it anywhere you need **–** to work, the office, or on business trips and beyond. The device casing is **made of high-quality, durable aluminum, which also helps with heat dissipation** , providing effective protection against crushing and safeguarding it from any potential damage.

CONFIDENCE CONFIRMED BY A WARRANTY

Product with 24 months guarantee

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. The product comes with a **24-month guarantee valid from the date of purchase**.

TECHNICAL DATA

Producer	Qoltec
Type	Unidirectional
Category	4K
Standard	HDMI | USB-C
Data transfer	18Gb/s
AWG cross section	32AWG
Plug	USB-C
Connector type	HDMI
Resolution	3840*2160/60Hz
Compatibility	Smartphone - TV, Projector, Monitor Laptop - TV Consoles (Xbox, PlayStation) - Projector, Monitor

Coating	PVC
Usage	Tablet, laptop, smartphone, PC, consoles, and other devices with USB-C supporting DP Alt Mode
Additional information	Allows transmitting a signal from USB-C to HDMI
