

Qoltec Power extension cable for UPS | IEC C13/C14 | 3x0.75mm | 1m

Product code: 50457

Invest in a reliable Qoltec C13/C14 power cable that combines performance, safety and durability. Designed to power computers, servers, monitors and UPS, it will work in any environment - from the office to a professional data center.

RELIABLE PERFORMANCE EVEN IN DEMANDING CONDITIONS

The power cable features a durable polyvinyl chloride insulation and copper wires

Invest in the **C13/C14 power cable**, which combines high performance with exceptional durability. Thanks to its tough PVC insulation and copper conductors, you can be sure that **your devices will operate smoothly**, even in the most challenging conditions. It's the ideal solution for those who value **quality, safety, and user comfort** at the highest level.

- **Standard VDE –** compliance with European safety standards
- **High-quality copper conductors (3x0.75mm) –** stable energy flow
- **Durable PVC insulation –** resistant to mechanical damage and high temperatures
- **IEC C13 and C14 connectors –** commonly used in IT equipment and UPS units
- **Length 1m –** Ideal for orderly installation and space saving

EFFECTIVE POWER FOR OFFICE AND PROFESSIONAL EQUIPMENT

Wide application of the cable, including for computers, UPS power supplies, and extending connections between devices
The C13/C14 cable is the perfect choice for powering:

- - computers,
- - servers,

- - monitors,
- - UPS power supplies,
- - and other IT and office devices.

It works perfectly in **server rooms, data centers, and offices** , where it **helps organize equipment** and **enables extending connections between devices** . Whether you need it for daily use or more demanding applications, this cable will meet all your expectations in terms of functionality and reliability.

UNIVERSAL POWER SUPPLY FOR ELECTRONICS AT THE HIGHEST LEVEL

High-quality three-core power cable meets VDE standards
The C13/C14 power cable **with three cores, meeting high VDE standards** , is a reliable and universal solution that works perfectly for powering a variety of electronic devices, both at home and in professional environments. Equipped with standard **IEC C13** and **IEC C14** connectors, the **1m** long cable ensures a safe and stable power flow, guaranteeing long-lasting and trouble-free operation of your equipment. The high-quality craftsmanship and sturdy construction provide **guaranteed safety and durability** that you can rely on every day.

TRUST CONFIRMED BY WARRANTY

2-year product warranty
Do you care about the high quality of the product you're purchasing? **Our solutions will meet your expectations.** Each of our offered power cables comes with a 24-month warranty from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	Power cable
Plug type	C13 C14
Output current	10A 250V~
Standard of cable	H05VV-F
Conductor cross-sectional area	3 * 0.75 mm
Insulating material	PVC
Application	All electrical devices with a compatible socket.
Usage	- Servers - UPS units - Network devices - Large industrial electrical equipment
Additional information	Plug 1: IEC60320 C14 Plug 2: IEC60320 C13 Meets high VDE standards.
OTHER PARAMETERS	
Working temperature	-20 C ~ +60 C
Cable length	1m
Package	Polybag
Package contents	1 x power cable
Package depth / length [mm]	250
Package width [mm]	80
Package height [mm]	20
Net weight [kg]	0.1050
Gross weight [kg]	0.1090
Warranty	24 months
EAN code	5901878504575
