

Qoltec 13.56 MHz Mifare proximity card | 10pcs

Product code: 52453

Qoltec's EM proximity card is compatible with all 13.56 MHz readers. To use the card, simply bring it close to the reader. Used for access control in proximity readers, code locks, intercoms and video intercoms .

TAKE CARE OF SECURITY

Qoltec brand proximity card is a card, used for access control in proximity readers, code locks, intercoms and video intercoms . Reading the data programmed on the card is done wirelessly using electromagnetic induction. To use the card, all you have to do is bring it close to the reader. The card is compatible with all readers with a frequency of 13.56 MHz.

COMPACT SIZE - CONVENIENCE OF USE

Thanks to its small size, the card can easily be carried in a wallet or in a holder, which will reduce the risk of accidental loss and further protect against mechanical injury.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The product comes with a 24-month warranty valid from the date of purchase.
