

Qoltec Access point | Wi-Fi | Outdoor

Product code: 57004

Wireless access point, router, 2.4GHz, 300Mbps

ABOUT THE PRODUCT

The Qoltec's high-quality wireless access point is designed for wall mounting. Its smooth transmission speed provides Internet access in a large area. It is an ideal device for use in a larger house as well as in a warehouse or in the office building. The practical functions of the wireless access point provide support for operating modes such as Router, Access Point and Bridge. The packaging contains a Wi-Fi device, power cable, power supply, cable tie and user manual.
