

Qoltec Adapter IEC 320 C14/ SCHUKO 0.15M | 3x1.5mm2

Product code: 53906

The adapter cable allows you to achieve the status of devices equipped with a schuko plug (laptop chargers, power supplies for hardware devices) directly to a UPS equipped with an IEC socket.

ENERGY SHOT

The adapter allows you to connect standard devices equipped with schuko plugs, such as laptop chargers, power supplies for network devices or other electronic accessories directly to a UPS equipped with IEC sockets. The connection to various electronic devices will not be an obstacle for you in the American and Japanese plug systems in countries that have the UNI - SCHUKO.

TRUST CONFIRMED BY WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the adapters we offer is covered by a 24-month warranty valid from the date of purchase.
