

Qoltec Antenna 4G LTE DUAL MIMO booster | 35 dBi | 50W | 2x SMA male

Product code: 57041

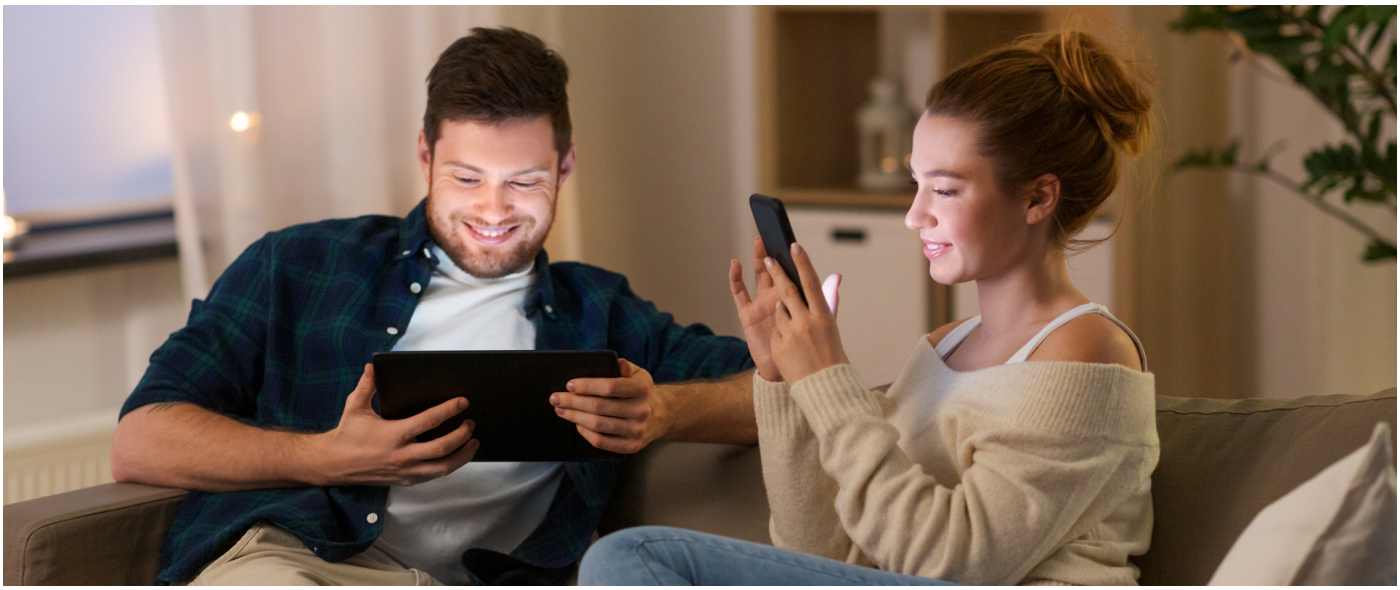

Qoltec 4G LTE antenna designed for outdoor use. Thanks to the use of high-quality RB58 cables, it provides operation at the highest standard significantly increasing signal reception and transmission speed. It works with the latest MIMO technology.

MODERN MIMO TECHNOLOGY

Low Wi-fi coverage often depends on factors that are outside our control, for example, the thickness of the walls can cause signal problems. Many times we struggle with transmission dropouts or interference that prevents us from surfing the net freely, so we have the perfect solution for you. It is a **4G LTE DUAL antenna** from Qoltec **was created based on modern MIMO technology**, which **allows the transmission of signals using multiple antennas**, will certainly clearly improve the quality of data transmission.

A RELIABLE SOLUTION FOR EVERY SITUATION

The 4G LTE DUAL antenna is designed to improve the quality of Internet at home, in the office and in any other room with Internet access. It will work especially well in places with poor Internet access.
Our solution offers:
- support for the 4G LTE standard,
- high gain of 35dBi,
- double SMA connector - allows connection to devices using coaxial cables,
- vertical polarization,
- possibility to fix the antenna outside,
- weather resistant **- -40°C ~ + 85°C**,
- modern design **-** thanks to the use of high-end materials and attention to detail,

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the 4G LTE antennas we offer comes with a **24-month warranty valid** from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type antenna	omnidirectional
Power	50W
Antenna gain	35 dBi
Working frequency	698-960/1710-2690 Mhz
Impedance	50
Polarization	Vertical
Antenna connector	2 x SMA male
VSWR	2.0
Plug of power cable	RG174
IP rating	IP65
OTHER PARAMETERS	
Colour	Black
Material	Plastic
Cable length	3 m 20 mm
Working temperature	-40 +85
Dimensions (D/L x W x H)	205 x 205 x 22
Package contents	Antena MIMO 4G LTE Mounting accessories
Package depth / length [mm]	206
Package width [mm]	235
Package height [mm]	75
Net weight [kg]	0.720
Gross weight [kg]	0.853
Warranty	24 month
EAN code	5901878570419
