Qoltec ATX power supply Wind 505W

Product code: ATX 505W WIND

ATX power supply is a device characterized by a reliable. Ensured trouble-free working your computer.
Additionally offers:
- efficient cooling system,
- a number of security features,
- 100 000 h of trouble-free operation

TAKE CARE OF THE RIGHT POWER SUPPLY

The driving force of a computer to work are its components - motherboard, graphics card, processor and other elements. In order to ensure the proper and failure-free operation of all components, you must ensure their reliable power supply. The more demanding components, the more efficient power supply you need. The Qoltec brand has prepared for you a wide selection of products among which you will find the right model for you.

ENSURE THE RIGHT POWER

ATX motherboard standard is the most frequently chosen by users around the world. Its popularity is due to clearly defined dimensions and convenient location of ports. The task of the ATX power supply is to provide a stable voltage to the computer. In addition, our product offers:
- passive cooling system - extremely quiet during operation,
- protection systems: undervoltage, overvoltage, overcurrent, short circuit, thermal,
- 100 000 hours of trouble-free operation - for quality guarantee.

PASSIVE COOLING

The power supplies with a passive cooling system are extremely quiet, which is due to the fact that they are not open. The principle of its work is very simple - it absorbs the heat flowing from the interior of the living room and transfers it through the metal to the environment. The disadvantage of this type of sale is lower efficiency compared to active or semi-passive cooling.

CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Each Qoltec ATX power supply is covered by 24 months warranty.

TECHNICAL DATA

Producer	Qoltec
Usable power	505 W
Power factor correction	Passive (PPFC)
Mainboard power connector	1 x ATX 20 + 4 pin (in black wrapper) 2 x ATX12 V (in black wrapper)
MTBF	100 000 hours
Power connections	4 x MOLEX 2 x SATA 1 x FDD 1 x PCIExpress
Cooling system	Fan 120 x 120 x 25 mm
Noise level	from 19 - 22 dBA
Safety	Short Circuit Protection (SCP) Overcurrent Protection (OCP) Over Voltage Protection (OVP) Under Voltage Protection (UVP) Thermal (OTP)
Additional information	Due to the technological process, cable lengths may vary +/- 5-10%
Dimensions	150 x 140 x 86 mm
Colour	Grey
Package depth / length [mm]	200
Package width [mm]	85
Package height [mm]	150
Net weight [kg]	1.1600
Gross weight [kg]	1.1700
Warranty	24 months
EAN code	5908260270438

VOLTAGE	+3.3V	+5V	+12V	-12V	5Vb
CURRENT	32A	32A	19A	0,5A	2A
