

Qoltec Barcode Reader Stand

Product code: 50855

The adjustable stand with holder for 1D and 2D barcode scanner allows the user to use the device freely without holding it. It provides a stable place for the scanner, which can be useful in places where the use of the code reader is frequent, for example, in stores, warehouses, points of sale, or offices.

SCAN WITH EASE - HIGH QUALITY COMBINED WITH CONVENIENCE AND FUNCTIONALITY

Compatible with various models of scanners

Having a barcode scanner stand can bring many benefits, making it easier to use barcode scanners especially in **retail locations, warehouses or other places where products need to be scanned**. The stand **allows you to place the scanner at the right height and angle**, which can significantly improve the ergonomics of your work. **Compatible with various models of 1D and 2D barcode scanners**.

INCREASE WORK EFFICIENCY

It is made of solid and durable materials

Barcode scanner stand a practical solution that **allows the user to freely use the device without having to hold it** . The scanner is always available and ready to use. In addition, it allows a **worker to scan codes and use other tools at the same time** . In addition, **simple and quick assembly** and disassembly make it easy to move the reader between different locations or workstations.

THOUGHTFUL CONSTRUCTION - MODERN DESIGN

Perfectly supports the device and increases comfort

The stand is manufactured from **high-quality material**. The wide plastic base provides a **stable base for the reader** , which is important to avoid accidental tipping over or damaging the device. The holder **perfectly supports the reader in the position chosen by the user**, which can contribute to the comfort of use by allowing customization.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The stand we offer is covered by a **24-month warranty** valid from the date of purchase.
