

Qoltec Adjustable Car Headrest Mount 7–10.1" | 125mm – 195mm | tablet

Product code: 51224

A car holder with a modern design that will satisfy the most demanding tablet user. By adjusting the arms and angle settings, it provides the possibility of adapting it to your needs.
The holder has a wide adjustment range (from 125 - 195 mm), which makes it possible to mount most devices currently available on the market.

TURN A LONG JOURNEY INTO A PLEASURE

It holds the device securely and protects it from shocks and scratches
The Qoltec car mount for tablets combines modernity, stylish design and, above all, functionality. **Made from durable, high-quality materials, it guarantees reliability and a long service life, combining a modern look and elegant style with practicality** . It ensures **stable support for the device and quick access to its functions** . Thanks to the carefully contoured arms and soft padding on the inside, the mount **holds the device securely and protects it from shocks and scratches** . This car tablet mount is **the perfect choice for families travelling with children and people spending long hours on the road**.

STABLE, SAFE, STYLISH

Secure hold, universal colour, for tablets from 7 to 10.1

- **Compatibility: devices with screen sizes from 7 to 10.1**
- **Width adjustment: 125–195 mm**, allowing for a secure fit with various tablet sizes
- **Secure mounting**: a robust design with easy installation on the car headrest ensures stability, preventing the device from shaking or sliding whilst driving
- **Universal colour**: elegant black to suit the interior of any car

AN INDISPENSABLE ACCESSORY FOR A MODERN CAR

Easy installation and universal adjustment

A special mounting head allows you to attach the holder to the car's headrest quickly and securely , whilst the wide adjustment range (125–195 mm) ensures compatibility with most tablets available on the market. **Users can adjust the tilt angle to suit their needs**, which is particularly convenient for passengers when watching films, playing games or using educational apps.
