A SOLUTION DEDICATED TO YOU

The Qoltec brand mains charger with built-in **12W USB** socket will provide you with a reliable power supply in any situation. It comes with a reinforced **1.5m LIGHTNING** cable with original **MFI** certification. This means that the cable meets all **APPLE** standards. This means that you are guaranteed a safe power supply for your iPhone, iPod or iPad. Perfect for use in any home. Its lightweight, yet robust design guarantees convenience and comfort, and the universal white colour and ultra-modern design will fit perfectly into your interior.

WHAT IS LIGHTNING MFI?

With a charger, you receive strengthened cable Lightning with an original MFI certificate. It means they meet all Apple norms. Thanks to this, you gain a guarantee of a safe power supply for your own iPhone, iPod or iPad.

COMFORT IS THE KEY TO SATISFACTION

Made with attention to every detail. Lightweight and at the same time solid construction guarantees convenience and comfort of use. Universal white colour and ultra-modern design will fit perfectly into your interior.

With our charger you can charge not only your smartphone but also your tablet, wireless headphones and speakers, camera equipment, power bank and much more. The charger is indispensable for any journey. The small size means that it fits into any socket and takes up very little space.

DESIGNED SPECIFICALLY TO PROTECT YOUR SAFETY

Constructed from high quality materials, it offers total safety of use.

It is additionally equipped with **PROTECTIONS** :

- against too low or too high input voltage,
- against overload of each power supply line,
- short circuit in the power supply circuit,
- protects against damage caused by overheating.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. Each of our chargers is covered by a 24 month guarantee from the date of purchase.
