

Qoltec Crimping machine for modular joints | 8p 6p

Product code: 54427

The modular connector crimping machine is used for crimping 8-pin and 6-pin plugs and fitting RJ-type connectors to the ends of network cables to create network connections.

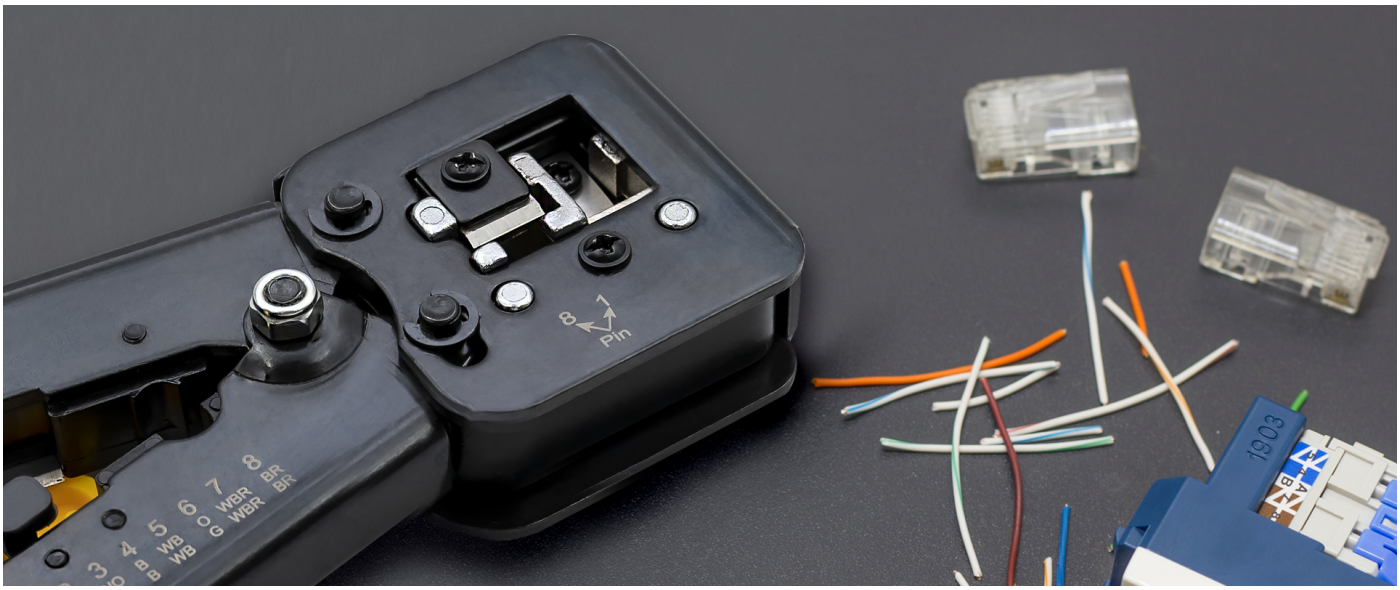

INNOVATIVE SOLUTION FOR THE ASSEMBLY PROCESS OF RJ45 CONNECTORS

Dedicated for RJ45 6P and 8P connectors

These crimping tools are **dedicated to RJ45 modular connectors, both 6-pin (6P) and 8-pin (8P)** . An indispensable tool in the assembly process of RJ45 connectors, **guaranteeing not only efficiency but also the long-term reliability of communication networks** . The product is also designed **to cut and remove insulation from cables** . They are used in telecommunications, computer networks and industrial installations, among others.

ERGONOMIC AND COMFORTABLE TO USE

Robust and durable construction for long-term use

The crimping tool, thanks to its ergonomic handle, **lies perfectly in the hand** , handy and comfortable, which significantly increases working comfort even during intensive use. **The handle is adapted to the size of the hand** , making it easy to manoeuvre the tool with precision. **It has a precise crimp** , which translates into even and durable wire connections to the pins of RJ45 connectors. A key feature of the 6P/8P crimper is **the presence of a locking mechanism, which prevents the connectors from accidentally splitting after crimping** . The robust construction and high quality materials make **the tool durable and very long-lasting**.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. The accessories we offer come with a **24-month guarantee** valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Material	Steel
Usage	The crimping tool is used for crimping of RJ and RJ Pass through connectors and it allows to clamping 8p and 6p plugs.
Additional information	It has a lock that guarantees the correct clamping force
Colour	Black, blue, yellow
Dimensions (D/L x W x H)	220 x 70 x 23 mm
Package contents	1 x Crimping machine for modular connectors with locking device
Package	Blister
Package depth / length [mm]	270
Package width [mm]	106
Package height [mm]	32
Net weight [kg]	0.478
Gross weight [kg]	0.521
Warranty	24 months
EAN code	5901878544274
