

Qoltec Crimping machine for modular joints | 8p 6p 4p

Product code: 54275

The modular crimping tool is used to crimp RJ-type connectors of various configurations : 8p (RJ-45), 6p (RJ-12) and 4p (RJ-11). By supporting different types of modular connectors, the tool is versatile and useful. The robust and durable construction of the crimper makes it resistant to intensive use.

ACCURATE CUTTING AND CRIMPING

Support for standards 8p (RJ-45), 6p (RJ-12) i 4p (RJ-11)

The modular connector crimper is one of the key tools used in the installation, maintenance and repair of computer networks. Designed to crimp 8p (RJ-45), 6p (RJ-12) and 4p (RJ-11) type connectors. Precision blades guarantee accurate cutting and crimping , this tool is adapted to handle different types of cables, minimising the risk of damage to cables. It has a automatic locking device that guarantees the correct crimping forceenables home users to repair network connections themselves.

ERGONOMIC AND COMFORTABLE TO USE

Solid construction for long-lasting use

The product, thanks to its ergonomic handle, **lies perfectly in the hand**, handy which significantly increases working comfort and ensures safety during use. **The ability to adjust the pressure and depth of cut allows the tool to be precisely matched to the specific type of insulation.** The robust construction and high-quality materials make the tool durable and very long-lasting.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. The accessories we offer come with a **24-month guarantee** valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Material	Steel
Usage	For tip processing: - RJ11 connectors (6p4c) - RJ12 connectors (6p6c) - RJ45 connectors (8p8c) - RJ9 connectors (4p2c) - RJ9 connectors (4p4c)
Operating temperature	-40 +80
Additional information	It has a lock which guarantees the correct clamping force. Two-color handle 6P Standard network cable pressing port 8P Standard network cable pressing port 4P Pressing port
Colour	Orange, black
Dimensions (D/L x W x H)	205 x 66 x 20 mm
Package contents	1 x Crimping machine for modular joints
Package	Blister
Package depth / length [mm]	290
Package width [mm]	120
Package height [mm]	30
Net weight [kg]	0.511
Gross weight [kg]	0.553
Warranty	24 months
EAN code	5901878542751
