

Qoltec Displayport V1.1 male | Displayport V1.1 male | 4K | 1.5m

Product code: 50456

The solutions used will allow you to enjoy the highest quality of image and sound:
- Resolution: max. 4K (30Hz)
- 8 audio channels
- 144Hz (1080p) refresh rate
- DisplayPort Content Protection (DPCP)

Make sure that your devices support standard DisplayPort v1.1

A CRYSTAL-CLEAR PICTURE, RELIABLE PERFORMANCE – QUALITY YOU CAN SEE AND HEAR

DisplayPort Cable for Monitors, PCs, Full HD, and 4K – Version 1.1
The DisplayPort 1.1 cable from Qoltec is the perfect solution for transmitting high-quality video and audio, designed for monitors, PCs, and laptops. The cable supports Full HD and 4K resolutions, making it a great choice for both office work and home entertainment. It's a practical **addition to any multimedia setup**, ensuring smooth data transfer and seamless compatibility with devices equipped with a DisplayPort connector.

YOUR KEY TO PERFECT PICTURE AND SOUND

Cable for Full HD and 4K, Compatible with TVs, Laptops, and Home Theater Systems
Rediscover your favorite multimedia content! Timeless recordings of your favorite band will sound better than ever, and the latest movie or presentation for an important meeting will impress every viewer. The DisplayPort 1.1 cable delivers **high-quality video and audio** and broad compatibility with various devices, ensuring a comfortable and secure multimedia experience:

- **Maximum 4K resolution (30Hz)** – image depth that lets you see every detail,
- **8 audio channels** – crystal-clear sound will transport you to a whole new dimension,
- **Maximum refresh rate of 144Hz (1080p)** – a smooth picture ensures a comfortable viewing experience without interruptions,
- **Wide compatibility** – easily connect your TV, computer, laptop, projector, home theater, or audio equipment,
- **DisplayPort Content Protection (DPCP)** – maximum security protects the signal from unauthorized copying.

Reliability, high quality, and functionality—all of this makes the DisplayPort 1.1 cable the ideal choice for both everyday use and professional presentations.

DISPLAYPORT 1.1 VS. NEWER VERSIONS – THE BEST CHOICE FOR MOST USERS

Version 1.1 Is Sufficient for 4K and 144Hz
A DisplayPort 1.1 cable is a great option for those who don't need advanced features such as 8K or higher refresh rates. With support for 4K (30Hz) and 1080p (144Hz), **it's ideal for office work, multimedia, and everyday use**. Versions 1.2 and 1.4 offer higher bandwidth, but DisplayPort 1.1 provides an excellent balance of quality and price, meeting the needs of users looking for a stable connection at an affordable price.

GAMING AND E-SPORTS PERFORMANCE – THE PERFECT CHOICE FOR GAMERS

DisplayPort 1.1 – Gaming Cable with 144Hz Smoothness and Low Latency
The DisplayPort 1.1 cable is an excellent choice for gamers who need a smooth picture and low latency. With a refresh rate of up to 144Hz (1080p), it delivers exceptional smoothness, which is crucial in fast-paced games. The cable offers **low latency**, which guarantees **fast signal transmission and better responsiveness in FPS**, racing, and sports games, providing gamers with a smooth experience and improved performance.

THE FUTURE OF CONNECTIVITY: SECURITY, QUALITY AND CONVENIENCE ALL IN ONE!

DisplayPort 1.1 Cable – Shielded, Nickel-Plated Connectors, and Various Lengths
The DisplayPort 1.1 cable is an exceptionally durable and functional solution that ensures reliability in all conditions.
- Thanks to its **shielding, it effectively protects against electromagnetic interference**, which ensures signal stability and excellent picture and sound quality.
- **Nickel-plated connectors increase resistance to corrosion and mechanical damage**, ensuring a long-lasting, reliable connection.
- The cable is available in lengths **from 1 m to 5 m**, allowing for flexible adaptation to various setups—whether in the office, a home theater, or when connecting a projector.

TRUST BACKED BY A GUARANTEE

This product comes with a 2-year warranty
Do you care about the high quality of the product you're buying? **Our solutions are designed to meet your expectations.** Each of the DisplayPort cables we offer is covered by a 24-month warranty valid from the date of purchase.
