

Qoltec Exit Button | white

Product code: 52450

Exit button in white color designed for surface mounting. Compatible with intercoms, video intercoms and code locks. Plastic housing.

ACCESS MANAGEMENT UNDER CONTROL

An important component of the security system is the exit button. It is necessary for leaving a protected room, covered by security and accessible only to authorized persons. When planning to purchase this type of security, it is also worth noting whether you are interested in buying a surface-mounted or flush-mounted button.
The exit button by Qoltec is a surface-mounted button, convenient to use and easy to operate. It works with intercom , video intercom and code lock.

ELEGANT AND SOLID CONSTRUCTION WITH ATTENTION TO EVERY DETAIL

We make sure that the products of our brand are united not only by the aesthetics of workmanship, but also by durability. Solid workmanship guarantees the durability of the product and is a guarantee of use for many years.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The product comes with a 24-month warranty valid from the date of purchase.
