

Qoltec Fiber cutter pen

Product code: 54260

The fibre optic cutting pen is a precision tool that plays a key role in the field of telecommunications and optical networks. The pen's stylus makes it possible to cut the end precisely without damaging the ferrule. The blades of the fibre optic cutting pen are made of high-quality stainless steel with micro serrations.

CUTTING AT THE HIGHEST LEVEL

Made of high-quality steel with tungsten carbide

The fibre optic cutting pen allows **precise cutting of the end without damaging the ferrule and allows excess fibre to be removed** . The blade of the fibre cutting pen is **made of high-quality tungsten carbide steel with micro serrations**. This guarantees precise and clean fibre cutting, minimising the risk of damage.

ERGONOMIC AND COMFORTABLE TO USE

Cutting blades for the most demanding applications

The pen's ergonomic shape and lightweight design are designed to provide **comfort and precision when working**, which is important to maintain the quality of the transmitted light signal. The product is packaged in an **elegant plastic box for easy storage and portability**.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. The accessories we offer come with a **24-month guarantee** valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Material	Tungsten carbide steel
Usage	The pen tip allows precise cutting off of the tip without damaging the ferrule. Removal of excess fibers.
Angle of the cut	60
Colour	Silver
Dimensions (D/L x W x H)	143 x 13 x 10 mm
Package	Plastic box
Package depth / length [mm]	160
Package width [mm]	32
Package height [mm]	20
Net weight [kg]	0.021
Gross weight [kg]	0.045
Warranty	24 months
EAN code	5901878542607
