

Qoltec ST fiber optic connectors | Multimode | 2.0mm | Mounting set | 200pcs.

Product code: 54435

Optical fiber connector designed to connect optical fibers.
Connectors: ST
Fiber Type: Multimode

FIBER OPTIC CONNECTOR

Fiber optic connectors are designed to connect optical fibers. They allow to switch and connect optical lines. Thanks to the highest quality optical connectors the lowest attenuation is guaranteed. Each connector is different, depending on the type of optical fiber and the size and polishing method of the ferrule. Ferrula is a tube, which is made of ceramic sinter and it is a cover and guide for optical fiber in connector.

ST CONNECTORS

It is characterized by a quick bayonet-type closing element and a spring that holds the fiber. Most commonly used in network applications such as LANs. Horizontally mounted simplex or duplex adapters are available in plastic housings.

TRUST CONFIRMED BY WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the fiber optic connectors we offer is covered by a 24-month warranty valid from the date of purchase.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. Each connector we offer comes with a 24-month guarantee valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type connectors	ST
Fiber type	Multimode
Diameter cable	2.0 mm
Package size	200 x 260 mm
Package contents	Complete mounting set ST connector - 200 pcs.
Package	Polybag
Package depth / length [mm]	100
Package width [mm]	20
Package height [mm]	160
Net weight [kg]	0.9060
Gross weight [kg]	0.9070
Warranty	24 months
EAN code	5901878544359
