

Qoltec Hub Adapter USB-C 3.1 5in1 | 4x USB 3.0 | micro USB

Product code: 50502

A compact and lightweight USB-C hub is a way to expand the capabilities of your equipment. You can take it with you everywhere and connect multiple devices to your laptop or PC through the additional ports. It will work well both in the comfort of your home theater and during a business trip, giving you the feeling that everything you need at the moment is within reach.

FULFILL YOUR FULL POTENTIAL

Are you looking for a solution that allows you to **expand the capabilities of your laptop or computer?** You've come to the right place. With the USB-C hub featuring 4x USB and micro USB, **you'll gain additional USB ports** essential for connecting multiple devices at once. A mouse, flash drive, external hard drive, and smartphone are just a few examples.

ENHANCE YOUR FLEXIBILITY

The presented USB-C hub model allows, among other things, fast and stable file transfer between a computer or laptop and various types of devices such as smartphones, flash drives, and external drives, depending on needs and technical capabilities.
The USB and micro USB ports - enable file transfers between connected devices at a speed of 5 Gb/s. Some of them require the appropriate cable, while others can be directly inserted into the port.

YOUR MOBILE CONNECTIVITY CENTER

The compact size and lightweight design make the USB-C 3.1 hub with USB and micro USB an ideal travel companion . You can easily stow it in your bag or backpack and be confident that you always have access to the necessary ports. Whether you're in the office, at a meeting, or on a business trip, this **small-sized device is the perfect solution for professionals in their daily work.**

CONFIDENCE CONFIRMED BY A WARRANTY

Each of the hubs we offer is covered by a 24-month warranty, effective from the day of purchase. **Quality matters to you, and you matter to us.**
