

Qoltec Insertion tool for KRONE | LSA | KEYSTONE connectors

Product code: 54492

A device designed to crimp wires or cables into sockets, connectors or terminal blocks used in LSA technology. It has built-in hooks for removing conductors from connectors. Made of ABS plastic. Knife and cutter made of steel. It has two pull-out devices. Indispensable for installing various types of subscriber outlets, patch panels and patch panels.

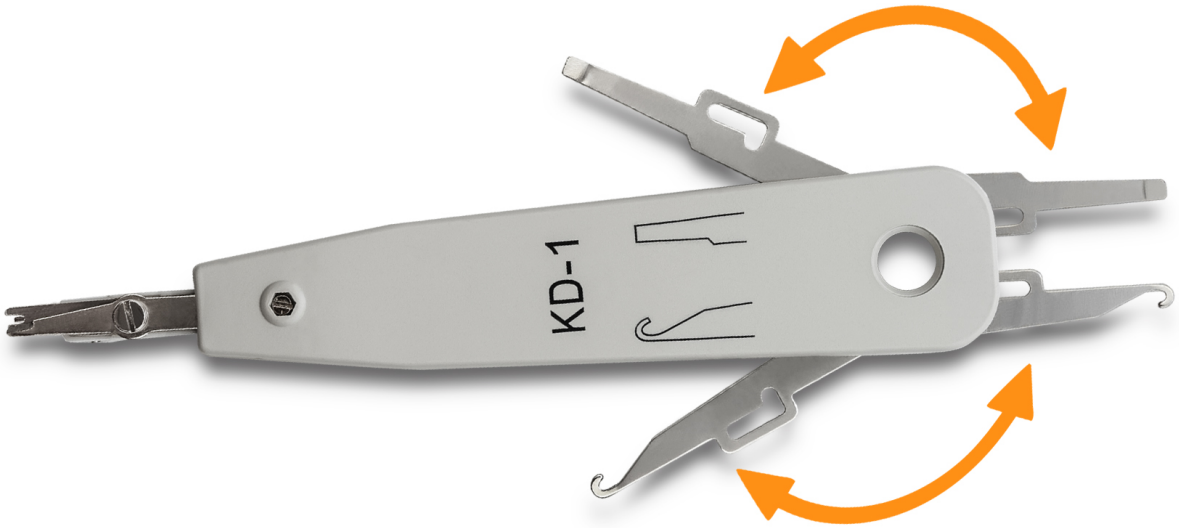

COMBINING PRECISION AND COMFORT

Permanent cable connection with LSA and KRONE terminals

The LSA crimping tool, also known as a patch knife, is a key tool in cable installation, **used to crimp telecommunications cables into telephone or network sockets** . This allows a solid and durable connection of the cables to the LSA and KRONE terminals, which is crucial for reliable communication. **They are used for various types of cable, both linked and wire, both shielded and unshielded.**

EFFICIENCY AND RELIABILITY IN EVERYDAY CABLE INSTALLATION TASKS

Steel tip, robust housing made of ABS plastic

The striking end of the crossover cutter is manufactured from hardened steel, which guarantees not only durability, but also **precision in the process of driving the cable strands into the terminals**. The housing is made of ABS plastic, which further increases the durability of the tool and ensures comfort of use in various working conditions. An additional feature that makes working with the crossover knife easier are **the two pull-out elements located on the side of the device** . These elements make it much easier to push and pull the cables, which translates into convenience of use and reduced installation time.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. The accessories we offer come with a **24-month guarantee valid** from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Material	Steel, ABS
Usage	Wiring of network module and telephone module
Trimming method	Cutter
Colour	Grey
Package contents	1 x Insertion tool for connectors and cutting network cables
Package	Polybag
Package depth / length [mm]	200
Package width [mm]	60
Package height [mm]	25
Net weight [kg]	0.012
Gross weight [kg]	0.020
Warranty	24 month
EAN code	5901878544922
