

## Qoltec Intelligent Charger 24W | 5V | 4.8A | 4XUSB

Product code: 50192

The mains charger from Qoltec is a guarantee of safe power supply and use. It can be used at home or at work. It has a number of safety features to protect connected devices. It is characterised by high efficiency, which reduces energy consumption.

The presented model has: four USB inputs.

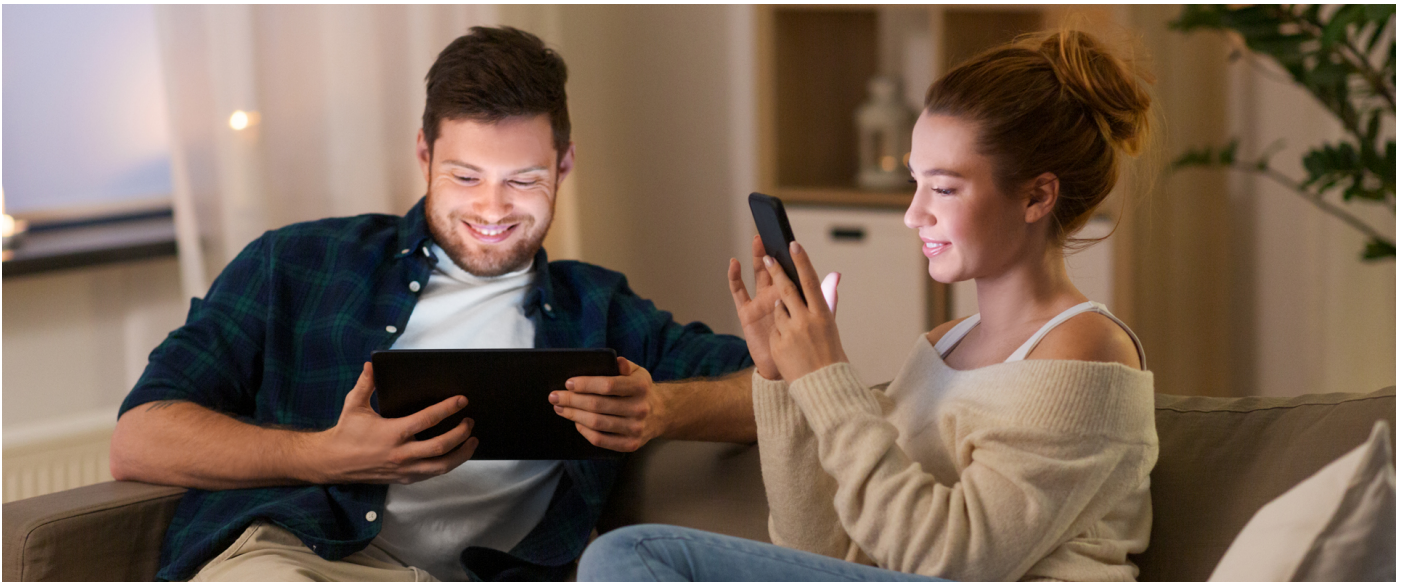

### ONE CHARGER FOR SEVERAL DEVICES

The Qoltec branded mains charger equipped with 4 USB PORTS with a total output of 4.8A is the best power source for your smartphone. The charger allows you to charge up to 4 devices at the same time, adjusting the voltage suitable for the connected equipment.

You can connect a cable with a plug: **Micro USB 2.0** - Compatible with smartphone, tablet, powerbank, headphones, speakers. **USB-C 3.0 and 3.1** - the symmetrical plug guarantees the correct connection of the device regardless of the rotation of the plug, designed for charging newer models of phones and tablets.

The advantage of the charger is its wide compatibility. It can be used as a charger for a smartphone, tablet, headphones, wireless speakers, powerbank, cameras and other mobile devices.

### COMFORT IS THE KEY TO SATISFACTION

Made with attention to every detail. The lightweight yet robust construction guarantees convenience and comfort of use and the universal black colour and ultra-modern design will blend in perfectly with your interior. The charger has been manufactured from the highest quality materials to provide you with a reliable power supply in every situation.

The technologies used in it will allow for low energy consumption and high efficiency.

## SPECIFICALLY DESIGNED FOR YOUR SAFETY

Constructed from high quality materials, it ensures total safety of use.

In addition, it has **PROTECTIONS** against:

- too low or too high input voltage,
- overload of each power supply line,
- short circuit in the power supply circuit,
- protects against damage caused by overheating.

## CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. Each of the mains chargers we offer is covered by a **24-month guarantee** valid from the date of purchase.

## TECHNICAL DATA

Producer	Qoltec
Maximum power	24 W
Input voltage	220 - 240 V
Output voltage	5 V
Output current	4.8A
Frequency	50 - 60 Hz
Plug type	4 x USB
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection
Additional information	AC / DC power supply intended for telecommunications equipment and for automatic data processing equipment and devices for these machines.
Additional information	tablet, smartphone and other mobile devices
OTHER PARAMETERS	
Colour	Black
Dimensions	93 x 57 x 26 mm
Package depth / length [mm]	100
Package width [mm]	30
Package height [mm]	200
Net weight [kg]	0.0830
Gross weight [kg]	0.1170
Warranty	24 miesiące
EAN code	5901878501925
