

Qoltec Labels for DYMO LW-99010 | S0722370 | 28 x 89 mm | 130 pieces

Product code: 50753

Label cartridges dedicated to printers. They guarantee excellent quality and durability of the labels needed for your business - whether you run an industrial plant or an office.

DURABILITY AND PRECISION

No more smudging ink or poor prints! The tape provides highly durable printing, comparable in quality to laser printing, so you get very clear text or graphics. The labels are ideal for labelling a variety of objects with flat surfaces, as well as for addressing serial correspondence.

HIGH RESISTANCE AND EASY INSTALLATION

If you are tired of constantly having to correct peeling labels or replacing them repeatedly? Our tapes have a strong adhesive, paper labels and PP or PE films. The result is an almost indestructible self-adhesive label that withstands even the most unfavourable external influences. **Laminated tapes are resistant to: abrasion, water, moisture, dirt, high and low temperatures, aggressive chemicals (corrosive acids), UV radiation, heat, cold and other harsh conditions.** They are therefore ideal for use in harsh and extreme conditions.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The printer supplies we offer are covered by a **24-month warranty valid** from the date of purchase.
