

Qoltec Outdoor roof | Black

Product code: 52456

The protective outdoor roof by Qoltec protects the detector from dirt, debris and adverse weather conditions. It has holes for mounting.

HOW TO PROPERLY SECURE A CODE LOCK ?

Qoltec brand protective canopy is the best way to properly protect our reader. This unique product not only protects the detector from adverse weather conditions, but also protects it from dirt and contamination. A great advantage of installing this type of protection is the ability to securely enter the PIN security code without fear of unauthorized intrusion. The protective canopy is also a great protection for the wireless bell.
The product is solidly made, manufactured with good quality materials. Installation of the product is easy and fast . In addition, the canopy has holes for surface mounting.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The product comes with a 24-month warranty valid from the date of purchase.
