

Qoltec Plug-in power supply 27W | 9V | 3A | 5.5*2.5

Product code: 50787

The Qoltec Plug-in power supply is a guarantee of safe power supply and use. It is characterized by high efficiency, which reduces energy consumption. We invite you to familiarize yourself with the full range of our power adapters.

STABLE AND SECURE POWER SUPPLY FOR ELECTRONIC DEVICES

Ideal for routers, cameras, and home electronics
The Qoltec plug-in power supply is a practical solution designed to power many electronic devices requiring 9V voltage. Thanks to its compact design and standard 5.5 2.5 mm DC plug, it is suitable for use in network equipment, monitoring systems, LED lighting and many other electronic devices.

27W POWER IN A COMPACT HOUSING

Key product features

- 27 W power for stable device operation
- 9 V DC output voltage
- Maximum output current 3 A
- Standard 5.5 2.5 mm plug
- Compact plug-in design (plug-in)
- High quality workmanship and stable operating parameters
- Protection against overvoltage, overload and short circuit

SAFE OPERATION OF YOUR DEVICES

Stability and security
The power supply unit is equipped with a security system that protects both the power supply unit and the connected equipment. Adequate voltage stabilisation ensures safe and long-term operation of the devices.
Compact design
The plug-in design allows direct connection to a mains socket without the need for additional power cables. The lightweight and compact housing makes it easy to use both at home and in the office.

UNIVERSAL APPLICATION

The power supply can be used to power many electronic devices requiring 9V voltage, such as:
- routers and network devices
- surveillance cameras and CCTV systems
- decoders and multimedia devices
- LED lighting
- electronic equipment requiring a 9V/3A power supply

CONFIDENCE CONFIRMED BY A WARRANTY

The product is covered by a 24-month warranty periodYou value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec AC power adapter is covered by 24 months warranty.

TECHNICAL DATA

Producer	Qoltec
Usable power	27 W
Plug type	5.5 * 2.5 mm
Input voltage	220 - 240 V
Output voltage	9 V
Output current	3 A
Frequency	50 - 60 Hz
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection
Additional information	AC / DC power supply intended for telecommunications equipment and for automatic data processing equipment and devices for these machines.
OTHER PARAMETERS	
Colour	Black
Cable length	1.2 m
Dimensions (D/L x W x H)	90 x 30 x 70 mm
Package	Box
Package contents	1 x Plug-in power supply
Package depth / length [mm]	40
Package width [mm]	95
Package height [mm]	135
Net weight [kg]	0.1200
Gross weight [kg]	0.1570
Warranty	24 months
EAN code	5901878507873
