Product code: 51759

Qoltec's Power adapter is designed for Sony and Samsung notebooks. Guarantee of safe power supply and use.

We invite you to familiarize yourself with the full range of our power adapters.
The configurator will help you choose the right model.

A SOLUTION DEDICATED TO YOU

We are as attached to electronic equipment as we are to a car. If we are satisfied with one brand, we remain faithful to it. It's the same with laptops. We often have 2 or 3 devices of one brand. It is compact and does not take up much space. However, several power adapters connected to many sockets look unattractive in our living room or office. The solution is a Qoltec Power adapter designed for Sony and Samsung, which will be compatible with ever Sony and Samsung laptop thanks to 3 interchangeable plugs.

SAFE POWER SUPPLY IN A UNIVERSAL VERSION

Always be prepared with the universal Qoltec power adapter. Our solution offers:
- 3 interchangeable plugs - power adapter will be compatible with every Sony and Samsung laptop,
- protections: overvoltage protection, overload protection, short-circuit protection, overheating protection,
- high quality materials - guarantee the long life of the power supply.

CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec power adapter designed for Samsung and Sony is covered by 36 months warranty.
