

## Qoltec Power adapter for LG / Samsung monitor | 65W | 19V | 6.5\*4.4 | + power cable

Product code: 51769

Qoltec power adapter is a modern high-tech product made of high quality materials. Our power supplies are equipped with advanced technology which allows high efficiency and low energy consumption. The power adapter is compatible with LG and Samsung monitors.

### THE BEST POWER SUPPLY

We know that **the image is important to you**, and that unexpected flickering on the screen will prevent you from further working on the computer. An extremely **important issue** is a **stable power supply**, which is responsible for the proper and safe functioning of your monitor. By choosing a Qoltec AC adapter, you get a **modern product** made of high-quality materials that **guarantee uninterrupted and trouble-free operation**. Ideally suited to the home, at work, as a main or backup power supply. The innovative technologies used in it allow for **low energy consumption and high efficiency**. The set includes a power cable and Velcro, thanks to which you can adjust the length of the cable to your needs. It is compatible with Samsung and LG brand monitors.

## RELIABILITY AND SAFETY

**Invest in security** - it never loses its value. Made of the **highest quality** materials makes the Qoltec power supply an object worthy of your attention. It will ensure the expected stability of work thanks to **special safeguards**:

- **against overvoltage**: protects against too low or too high voltage,
- **against overloads**: protects against overloading the power line,
- **against short circuits**: protects against short circuits in the power circuit,
- **thermal**: protects against damage caused by overheating.

## CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on **meeting your expectations**. This power adapter is covered by 36 months warranty.

## TECHNICAL DATA

Producer	Qoltec
Usable power	65 W
Plug	6.5 * 4.4 mm
Designed for brands	LG, Samsung
Input voltage	220 - 240 V
Output voltage	19 V
Output current	3.42 A
Frequency	50 - 60 Hz
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection
Accessories	Power cable Velcro to organize cable
Additional information	AC / DC power supply intended for telecommunications equipment and for automatic data processing equipment and devices for these machines.
OTHER PARAMETERS	
Cable length	1.67 m
Dimensions	95 x 49 x 25 mm
Package	Box
Package depth / length [mm]	135
Package width [mm]	50
Package height [mm]	230
Net weight [kg]	0.2220
Gross weight [kg]	0.3990
Warranty	36 months
EAN code	5901878517698
