

Qoltec Power extension cable IEC C13/C14 | 3x1.0mm | 1.8m

Product code: 53897

Invest in the **C13/C14 power cable from Qoltec**, which combines high performance with exceptional durability, making it ideal for powering computers, servers, and monitors. With its durable PVC insulation and copper wires, it ensures a stable energy flow even in the most demanding conditions. At a length of 1.8 m, this reliable cable meets high VDE standards, offering quality, safety, and user comfort in any situation.

RELIABLE PERFORMANCE EVEN IN DEMANDING CONDITIONS

The power cable features a durable polyvinyl chloride insulation and copper wires

Invest in the **C13/C14 power cable**, which combines high performance with exceptional durability. Thanks to its tough PVC insulation and copper conductors, you can be sure that **your devices will operate smoothly**, even in the most challenging conditions. It's the ideal solution for those who value **quality, safety, and user comfort** at the highest level.

EFFECTIVE POWER FOR OFFICE AND PROFESSIONAL EQUIPMENT

Wide application of the cable, including for computers, UPS power supplies, and extending connections between devices
The C13/C14 cable is the perfect choice for powering:

- - computers,
- - servers,

- - monitors,
- - UPS power supplies,
- - and other IT and office devices.

It works perfectly in **server rooms, data centers, and offices** , where it **helps organize equipment** and **enables extending connections between devices** . Whether you need it for daily use or more demanding applications, this cable will meet all your expectations in terms of functionality and reliability.

UNIVERSAL POWER SUPPLY FOR ELECTRONICS AT THE HIGHEST LEVEL

High-quality three-core power cable meets VDE standards
The C13/C14 power cable **with three cores, meeting high VDE standards** , is a reliable and universal solution that works perfectly for powering a variety of electronic devices, both at home and in professional environments. Equipped with standard **IEC C13** and **IEC C14** connectors, the **1.8 m** long cable ensures a safe and stable power flow, guaranteeing long-lasting and trouble-free operation of your equipment. The high-quality craftsmanship and sturdy construction provide **guaranteed safety and durability** that you can rely on every day.

TRUST CONFIRMED BY WARRANTY

2-year product warranty
Do you care about the high quality of the product you're purchasing? **Our solutions will meet your expectations.** Each of our offered power cables comes with a 24-month warranty from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	Power cable
Plug type	C14 C13
Output current	10A 250V~
Standard of cable	H05VV-F
Conductor cross-sectional area	3 * 1.0 mm
Insulating material	PVC
Application	All electrical devices with a compatible socket.
Usage	- Servers - UPS units - Network devices - Large industrial electrical equipment
Additional information	Plugin 1: IEC 320 C14 Plugin 2: IEC 320 C13 Power cable for UPS that meets high VDE standards.
OTHER PARAMETERS	
Working temperature	-20 C ~ +60 C
Cable length	1.8m
Package	Polybag
Package contents	1 x power cable
Package depth / length [mm]	250
Package width [mm]	200
Package height [mm]	60
Net weight [kg]	0.1600
Gross weight [kg]	0.1650
Warranty	24 months
EAN code	5901878538976
