

Qoltec Power extension cable IEC C14/C19 | 3x1.5mm | 2m

Product code: 53990

Invest in the **C14/C19 power cable from Qoltec** , which combines high performance with exceptional durability, making it ideal for powering computers, servers, and monitors. With its durable PVC insulation and copper wires, it ensures a stable energy flow even in the most demanding conditions. At a length of 2 m, this reliable cable meets high VDE standards, offering quality, safety, and user comfort in any situation.

CONVENIENCE OF EVERYDAY USE

Professional and Daily Use of the C14/C19 Cable, Offering the Ability to Extend Connections Between Devices

Thanks to its reliability and ease of installation, the C14/C19 cable is perfect for both professional installations and everyday use. The plug arrangement and appropriate cable length allow for easy device connection or **extension of connections between devices in various spatial configurations, such as emergency power systems** . This solution combines convenience of use with the highest safety standards, making it an excellent choice for both large companies and individual users.

VERSATILITY IN INDUSTRIAL APPLICATIONS

Usable in Data Centers, Server Rooms, and Even Laboratories

The C14 to C19 power cable is an ideal choice for **use in data centers, server rooms, and professional IT environments.** Its design allows it to efficiently power:

- - servers,
- - UPS systems,
- - network devices,
- - larger electrical devices in industrial settings.

Whether you manage a server room or operate specialized equipment in a laboratory, **the C14/C19 cable ensures stable and secure power connections.**

DURABLE CABLE RESISTANT TO DAILY STRAIN

Solid 3-Core Copper Cable Construction Ensures Safe Use

The C14/C19 power cable is a professional solution that delivers reliability and high performance for powering devices with high energy demands. Made from durable materials, the 3-core cable meets high VDE standards. Its solid construction ensures resistance to mechanical damage and provides safe use even in the most demanding conditions.

TRUST CONFIRMED BY WARRANTY

2-Year Product Warranty

Looking for high quality in your purchase? **Our solutions will meet your expectations.** Every power cable we offer comes with a 24-month warranty from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	Power cable
Plug type	C14 C19
Output current	10A 250V~
Standard of cable	H05VV-F
Conductor cross-sectional area	3 * 1.5 mm
Insulating material	PVC
Application	All electrical devices with a compatible socket.
Usage	- Servers - UPS units - Network devices - Large industrial electrical equipment
Additional information	Plugin 1: IEC320 C14 Plugin 2: IEC320 C19 Power cable for UPS meeting high VDE standards.
OTHER PARAMETERS	
Working temperature	-20 C ~ +60 C
Cable length	2m
Package	Polybag
Package contents	1 x power cable C14/C19
Package depth / length [mm]	250
Package width [mm]	200
Package height [mm]	100
Net weight [kg]	0.2790
Gross weight [kg]	0.2795
Warranty	24 months
EAN code	5901878539904
