

Qoltec Power extension cable IEC C20/C13 | 3x1.5mm | 1.2m

Product code: 53991

Invest in the **C20/C13 power cable from Qoltec** , which combines high performance with exceptional durability, making it ideal for powering computers, servers, and monitors. With its durable PVC insulation and copper wires, it ensures a stable energy flow even in the most demanding conditions. At a length of 1.2 m, this reliable cable meets high VDE standards, offering quality, safety, and user comfort in any situation.

A CABLE DESIGNED FOR UNINTERRUPTED PERFORMANCE

Professional and daily use of the C20/C13 cable, offering the ability to extend connections between devices

Looking for a power cable that will never let you down? **The C20/C13 cable is a solution designed with durability and reliability in mind** . Made from high-quality materials, it offers exceptional durability for everyday use and heavy loads. The carefully designed plugs ensure a stable connection, and the robust construction protects against mechanical damage, giving you the confidence that your equipment will always be safely powered.

C20/C13 – ONE CABLE, MULTIPLE USES

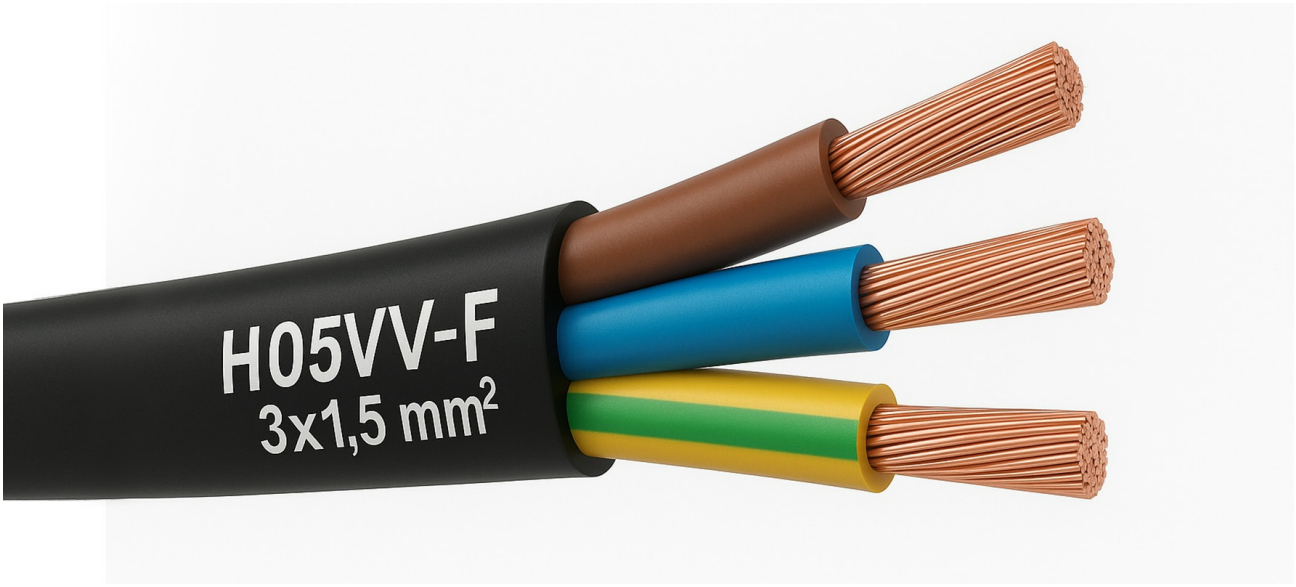

Usable in data centers, server rooms, and even laboratories
The C20/C13 cable performs perfectly in any situation—whether **in an office, server room, or more demanding IT environments** . Its universal application makes it ideal for powering various devices, such as:

- - computers,
- - servers,
- - workstations,
- - UPS systems.

Whether you need stable power for office systems or to ensure continuous operation in data centers, this cable will meet your expectations.

DAILY COMFORT AND RELIABILITY

Solid construction of the 3-core copper cable ensures safe usage
Choose the **H05VV-F cable, with a 3-core 3x1.5 mm design** , which is not only functional but also easy to handle. The C20/C13 is designed with your convenience in mind. Additionally, it meets the highest safety standards and **VDE** regulations, giving you peace of mind that your devices are protected from any interference. This solution allows you to focus on your work without worrying about power stability.

CONFIDENCE CONFIRMED BY A WARRANTY

2-year product warranty
Looking for high quality in your purchase? **Our solutions will meet your expectations.** Each of our power cables comes with a 24-month warranty from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	Power cable
Plug type	C20 C13
Output current	10A 250V~
Standard of cable	H05VV-F
Conductor cross-sectional area	3 * 1.5 mm
Insulating material	PVC
Application	All electrical devices with a compatible socket.
Usage	- Computers - Servers - Workstations - UPS units
Additional information	Plugin 1: IEC60320 C20 Plugin 2: IEC60320 C13 Power cable for UPS meeting high VDE standards.
OTHER PARAMETERS	
Working temperature	-20 C ~ +60 C
Cable length	1.2m
Package	Polybag
Package contents	1 x power cable C20/C13
Package depth / length [mm]	80
Package width [mm]	40
Package height [mm]	200
Net weight [kg]	0.1990
Gross weight [kg]	0.1992
Warranty	24 months
EAN code	5901878539911
