

Qoltec Power meter PM0626 | 3680W | 16A | LCD

Product code: 50626

The electricity meter calculates the energy consumption of a connected appliance and the cost of the electricity used. It is a very useful device that will certainly help you reduce your electricity expenses.

The wattmeter displays parameters such as: voltage, current, total energy.

SAVE ON YOUR BILLS TODAY - MONITOR YOUR HOME'S ENERGY CONSUMPTION

An electronic energy meter is sure to come in handy in every home. **Monitor and manage your energy effectively today.** This small, intelligent and easy-to-use device will allow you to easily detect the most costly appliances. **Simply connect the appliance of your choice to the meter to see how much energy is needed for its operation and the cost we will have to cover.** In this way, we can eliminate devices that are so-called energy eaters and save money while contributing to the efficient use of energy.

INNOVATIVE WAY TO CUT ENERGY BILLS

Using the Qoltec power consumption meter, you gain precise readings, not estimates, so you are able to accurately calculate the cost of the electricity consumed and check the effectiveness of the saving methods you are using.

Product advantages include :

- Built-in 3.6V battery,
- Large and clear LCD display with backlight,
- Easy measurement and monitoring of parameters,
- Easy setting of the energy price,
- The wattmeter has 7 display modes,
- Overload protection function,
- Resettable in case of irregularities,
- Simple installation by plugging the meter into a socket.

PRECISE READING OF MEASUREMENT PARAMETERS

The product has an **easy-to-read large LCD display with backlighting**, which will allow the recorded measurement parameters to be read easily.

On the display we can check min:

- **Total energy consumption time**,
- **The current load**, i.e. the power consumed by the connected appliance,
- **The amount of energy charge**, if we enter a rate,
- **Total energy consumed**, i.e. a record of the accumulated KWh.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. The offered product is covered by a **24-month guarantee** valid from the date of purchase.
