

Qoltec Quick charge station 40W | 5 x USB | max 8A

Product code: 50038

Qoltec quick charger station is a guarantee of safe power supply and use. You can use it at home or at work. It has a number of protections to protect connected devices. It is characterized by high efficiency which reduces energy consumption.

The presented model has five USB inputs and an attached power cable.

A SOLUTION DEDICATED TO YOU

Made with attention to every detail. It has 5 built-in USB ports with a capacity of 8A. Perfectly suited to any home. The lightweight, yet solid design ensures convenience and comfort of use and the universal black colour and ultra-modern design will blend perfectly into your interior.

Manufactured from the highest quality materials to ensure you a reliable power supply in any situation. The technologies used in it will allow for low energy consumption and high efficiency.

SMART IC

The **SMART IC** technology used allows for individual adjustment of the charging speed, thanks to which it ensures the safety of connected devices.

DESIGNED SPECIFICALLY TO PROTECT YOUR SAFETY

Constructed from high quality materials, it offers total safety of use.

It is additionally equipped with **PROTECTIONS** :

- against too low or too high input voltage,
- against overload of each power supply line,
- short circuit in the power supply circuit,
- protects against damage caused by overheating.

CONFIDENCE CONFIRMED BY A WARRANTY

If you value the quality of purchased equipment our projects and solutions are focused on meeting your expectations. Qoltec quick charge station is covered by 24 months warranty.

COMFORT IS THE KEY TO TOGETHER SATISFACTION

Made with attention to every detail. Lightweight and at the same time solid construction guarantees convenience and comfort of use. Universal white colour and ultra-modern design will fit perfectly into your interior.

With our charger you can charge not only your smartphone but also your tablet, wireless headphones and speakers, camera equipment, power bank and much more. The charger is indispensable for any journey. The small size means that it fits into any socket and takes up very little space.
