Qoltec Rack Fan 19" | 230V | 120x120x38 | Black

Product code: 54506

A fan designed for installation in 19" racks. It takes care of the appropriate ventilation of the devices to ensure their optimal working conditions. In combination with the thermostat, it guarantees that the right thermal conditions are maintained. Four-point mounting with a 105 mm pitch.

ENSURE PROPER ORGANIZATION

A properly organised rack is not only aesthetically pleasing, but also **easier to access equipment in the event of sudden breakdowns and any service work**. Tidy equipment **will facilitate the flow of cooling air and also enable us to control the equipment**. It is worth mentioning the **installation of basic components that will ensure the proper operation of the equipment inside the cabinet**. This is especially true of the ventilation equipment, which is responsible for maintaining the correct temperature inside the cabinet.

FUNCTIONAL SOLUTION

The optimum temperature inside a rack should be **between 18 C and 27 C**. We can then rest assured that the operating conditions for the equipment in the rack are correct. In order to reduce the heat generated by the equipment, a , which will ensure the appropriate airflow inside the rack. A single fan or ventilation panels comprising two or four fans may be installed. Usually mounted on the top of the structure or on the side and rear walls of the enclosure.
In addition, in conjunction with a thermostat, cooling will be triggered if the set value is exceeded. Once cooled to a given temperature, the circuit is switched off.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you are buying? Our suggestions will meet your expectations. The product comes with a **24-month guarantee** valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Output voltage	220 - 240 V
Power consumption	0.07/0.06A
Frequency	50 - 60 Hz
Fits in RACK cabinets	Rack 19"
Usage	Cooling and ventilation 19" rack cabinets
Additional information	105mm spacing
OTHER PARAMETERS	
Material	Aluminium
Colour	Black
Dimensions (D/L x W x H)	120 x 120 x 38 mm
Package contents	1 x fan + power cable 1 x mounting screws
Package depth / length [mm]	205
Package width [mm]	136
Package height [mm]	53
Net weight [kg]	0.572
Gross weight [kg]	0.633
Warranty	24 month
EAN code	5901878545066
