

Qoltec Riser PCI-E 1x - 16x | USB 3.0 | ver. 010S | SATA / PCI-E 6 pin

Product code: 55509

Riser PCI-E 1x-16x guarantees a more stable operation of mining rigs. It's made of a PCI-E 16x (female) socket, a USB cable, a PCI-E 1x (male) socket, a PCI-E/SATA plug and a 6PIN plug, which allows you to connect additional power to the card. You can reduce the load on the motherboard and avoid blown tracks while many graphics cards are running simultaneously. It is the cheapest way to improve ventilation while allowing the use of all available PCI-E 1x sockets.

STABLE OPERATION AT HIGH TEMPERATURE

Stable and efficient work is a key feature in crypto excavators. Thanks to the use of polymer capacitors - Qoltec riser is resistant to high temperatures.
The multifunctionality of the presented model allows it to be used in various types of non-standard open-case enclosures, or in 1U and 2U rack enclosures, moreover, it does not require any configuration.

GET EXTRA SPACE

The presented model is also used in desktop computers as an additional module that allows you to connect the computer component to the motherboard.
It is a practical solution that allows you to avoid a drop in performance and tedious work of the computer, and you will gain not only additional, organized space in your PC, but also improving ventilation and extending the distance between the motherboard and a graphics card or other computer component.

TRUST CONFIRMED BY WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The PCI-E risers we offer are covered by a **24-month warranty valid from the date of purchase**.

TECHNICAL DATA

Producer	Qoltec
Usage	Cryptocurrency miners, PC
Version	010S
Interface	PCI-E 16x female - PCI-E 1x male (compatible with 16xPCI-E)
Colour	Black, red
Dimensions (D/L x W x H)	123 x 47 x 16 mm
Package contents	Riser PCI-E 1x - 16x 6 PIN Connector USB A 0.5 m cable SATA/ PCI-E 6 pin
Package depth / length [mm]	200
Package width [mm]	150
Package height [mm]	10
Gross weight [kg]	0.109
Net weight [kg]	0.051
Warranty	24 months
EAN code	5901878555096
