### SCREEN LCD

The notebook screen is the main part of the laptop allows you to work. In order to fit an appropriate model should be verified compatibility list contained in the product description on the page [qoltec.pl](http://qoltec.pl). If in doubt, please check number of the original matrix located on the backside - for example: LP141WX1 (TL)(E1), where LTN is the designation of the manufacturer, 156 is the number of inches (15.6"), the remaining characters to define a series of laptops that are tailored matrix. Changing even one character can attest to the difference in the location of the mounting clamps or tape, and other parameters.

In choosing the correct model will help you the configurator located on our website or at <http://notebookspareparts.pl>
