

Qoltec Smart Flip Cover case for Samsung S10+ | Navy blue

Product code: 51694

A smart flip cover case is an elegant accessory that protects your smartphone. The case allows you to view some smartphone functions without opening it.

SAFE AND STYLISH

Prices of smartphones available in the market are various. Regardless of the price, each of them deserves perfect protection so that they will work for a long time. The damage also affects the functionality of the phone itself. Lack of smartphone protection may negatively affect the touch panel, camera or speaker. The Qoltec Flip Cover case is a solution that will take care of the good condition of your device.

MULTIMEDIA PANEL

Part of the front flap of our case is equipped with an active touch panel. Thanks to this solution, you don't need to open the case when you check the date, time or answer an incoming call.

FUNCTIONALITY

Our case is made of high-class materials for maximum protection of your smartphone. Additionally, it offers:

- Multimedia panel,
- Full protection against damage and scratches,
- Access to all connectors and buttons of the smartphone.

CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec Smart Flip Cover case is covered by 24 months warranty.
