

Qoltec Super Quick PD Charger | 1xUSB-C | 65W | 5-20V | 3-3.25A | Laptop | Smartfon | Black

Product code: 52379

The Super Quick PD mains charger provides fast and safe charging based on Power Delivery fast charging technology, which adapts the charging performance to the connected device. The charger has a built-in USB Type-C port and a range of safety features.

ULTRA-FAST CHARGING AND PRECISE ADJUSTMENT OF CHARGING PARAMETERS

The Super Quick PD charger is an **ultra-fast, advanced and versatile charger from Qoltec.** It can charge your device up to **4 times faster than a standard charger**, the battery reaches up to around 60% in 30 minutes. **Precisely adjusts the maximum voltage and amperage of the transmitted current to the battery requirements of the connected device.** This allows you to use just one charger for different types of equip

UNIVERSAL USB TYPE C CONNECTOR - FAST, VERSATILE AND EASY TO USE

POWER DELIVERY technology uses the USB-C standard. It is an ultra-universal port and supports the latest USB standards and technologies. The charger can be connected to any device such as **smartphones, tablets, laptops, BT headphones, etc. with the appropriate cable**.
The USB - C standard is a small 24-PIN symmetrical connector - a guarantee for a correct connection as well as fast charging.

ELEGANT AND COMPACT

Made with **attention to every detail**. The lightweight yet **robust construction and compact dimensions**, which are undoubtedly one of the greatest advantages of the product, guarantee convenience and comfort of use, while the universal colour and ultra-modern design further enhance the attractiveness of the charger. It is worth mentioning that the **use of a single charger for several devices will not only save you money and space, but will also allow you to reduce the amount of electronic waste**, which will undoubtedly have a positive impact on the environment.

DESIGNED SPECIFICALLY TO PROTECT YOUR SAFETY

The charger is equipped with multiple **preventive features to protect your device and you.** It features **over-current, over-voltage, overheating and short circuit protection. Built with high quality materials to ensure complete safety in use.**

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. Each of the mains chargers we offer is covered by a **24-month guarantee** valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	Wired
Maximum power	65W
Input voltage	220 - 240 V
Output voltage	5-20V
Voltage range	USB-C : 5V/3A , 9V/3A, 12V/3A, 15V/3A, 20V/3.25A
Output current	3-3.25A
Frequency	50 - 60 Hz
Maximum charging power	USB-C: 65W
Socket type	USB typ C PD
Usage	Smartphone Laptop Tablet Powerbank Wireless headphones Wireless speakers Portable gaming console Smartwatch
Safety	- against too low or too high an input voltage, - against overcharge, - short circuit in the power supply circuit, - against overheating
Additional information	Level VI
OTHER PARAMETERS	
Colour	Black
Dimensions (D/L x W x H)	60 x 97 x 28 mm
Package contents	1 x Super Quick PD Charger
Package depth / length [mm]	34
Package width [mm]	88
Package height [mm]	175
Net weight [kg]	0,101
Gross weight [kg]	0,131
Warranty	24 month
EAN code	5901878523798
