

Qoltec Tape for BROTHER DK-22205 | 62mm x 30.48m | White / Black overprint | Roller with handle

Product code: 50239

Our labels are dedicated to thermal printers that do not require ink or toner. If you put a faultless operation in the foreground, you need solutions that are reliable - regardless of the working conditions. High-quality product with a safety guarantee for the printer.

DURABILITY AND PRECISION

No more smudging or poor print! The tape provides a very durable print, quality comparable to laser printing, thanks to which you get a very clear text or graphics. Labels are perfect for labeling various objects with flat surfaces, as well as for addressing serial correspondence.

HIGH RESISTANCE AND EASY INSTALLATION

Tired of constantly correcting peeled off labels or their frequent replacement? Our tapes have strong glue, paper labels, and PP or PE films. As a result, an almost indestructible self-adhesive label is created, resistant to even the most unfavorable external factors.Laminated tapes are resistant to abrasion, water, moisture, dirt, high and low temperatures, aggressive chemicals (caustic acids), UV radiation, heat, cold, and other difficult conditions. Therefore, they are perfect for applications in difficult and extreme conditions.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about high quality of the product you buy? Our solutions will meet your expectations. Our printer supplies come with a 24-month warranty valid from the date of purchase.

TECHNICAL DATA
