

Qoltec Tape for DYMO D1 45803, 45808 | 19mm x 7m | White/Black print

Product code: 50751

Label cartridge dedicated to printers. Guarantees excellent quality and durability of labels, needed for the operation of your business – whether you run an industrial plant or an office. The set includes one piece.

SECURE FIT

Would you like to organize the items in your home or office? All you need is a **thermosublimation printer**, compatible with the Qoltec product we offer. It is a cassette with labeling tape, thanks to which each box or dish will receive its name. This combination will allow you to locate all the small things you need for daily functioning both at work and at home. You will easily print headings suggesting the contents of storage containers, so you will maintain order in your surroundings, and it will also cause you to quickly find the items you are looking for.

AESTHETIC THERMAL TRANSFER PRINT

The thermal transfer print is legible and clear, which testifies to the care of its execution and incredible precision. In addition, it is **characterized by high durability and resistance to water, grease, extreme temperatures and UV rays. It is not damaged either in very low or high temperatures.** Heat shrinkable tubing has a wide range of outdoor and indoor applications, so you can label cables not only in the server room, but also, for example, in data or distribution cabinets – such an organized space will certainly make it easier to identify individual cables.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The printer supplies we offer are covered by a **24-month warranty valid** from the date of purchase.
