Qoltec Tape for DYMO D1 53713, 53718 | 24mm x 7m | White/Black print

Product code: 50752

Label cartridges dedicated to printers. They guarantee excellent quality and durability of the labels needed for your business - whether you run an industrial plant or an office.

AESTHETIC THERMAL TRANSFER PRINT

Thanks to the latest printing technologies, your labels will be clear and crisp. The quality of the printing is photographic, which proves the diligence of its execution, as well as high-end precision. In addition, this method provides very high resistance-so you can enjoy our labels much longer than standard labels. This is because they are resistant to the effects of water, grease, and extreme temperatures and UV rays. So they will prove themselves in all conditions.

FIND EVERYTHING IN A FLASH

Would you like to organize the items in your home or office? All you need is a **thermosublimation printer, compatible with the Qoltec product we offer**. It is a cassette with labeling tape , thanks to which each box or dish will receive its name. This combination will allow you to locate all the small things you need for daily functioning both at work and at home. You will easily print headings suggesting the contents of storage containers, so you will maintain order in your surroundings, and it will also cause you to quickly find the items you are looking for.

MATCHING YOUR NEEDS

You have different widths of labels at your disposal, so you can match them to the size of the sorted bulk packages. You decide on the length of the label yourself, matching it to the items to be taped. You will make everything around you aesthetically labeled.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The printer supplies we offer are covered by a **24-month warranty valid** from the date of purchase.
