

Qoltec Indoor DVB-T2 TV Antenna with Magnetic Base | 3m Cable

Product code: 57016

TV antenna DVB-T2 is a product designed to meet your expectations regarding the reception of terrestrial television. It ensures reliable operation thanks to the precision of workmanship and the best class of components used for its production.

BE READY FOR DVB-T2 TELEVISION

Crystal-clear picture with no interference
To enjoy your favourite programmes in the new DVB-T2 standard, all you need is the right aerial. You don't need to replace your TV — a Qoltec DVB-T2 aerial will prepare you for all the upcoming changes. **The aerial operates across a wide UHF frequency range of 470–862 MHz, enabling stable reception of all DVB-T/DVB-T2 terrestrial channels** . In addition, **the high gain of 12 dBi improves signal strength and quality**, ensuring a clear picture even in more challenging conditions.

A NEW TV STANDARD AT HOME AND ON TRAVELLING

Your favourite channels always at your fingertips
The DVB-T2 aerial has been designed to support the new television standard in your home, at the office, or whilst travelling by car or in a campervan. Our solution offers:
- support for the DVB-T2 standard – without having to replace your TV with a newer model,
- a TV plug – allowing you to connect an aerial to a standard TV set,
- a magnetic mount – enabling you to attach the device to a metal cabinet or vehicles such as a car, lorry or camper van

COMPACT, LIGHTWEIGHT DESIGN

Minimalist design, durable and sturdy casing
Its modern, minimalist design means the antenna looks great in any interior.
on the wall,
next to the TV,
on the windowsill,
near a window, for the best signal.
Long 3 m cable
The 3 m cable allows you to position the antenna where the signal is strongest: by a window, on a wall, or even in another room.

CONFIDENCE CONFIRMED BY A WARRANTY

This product is covered by a 24-month warranty
You value the quality of purchased equipment so our projects
and solutions are focused on **meeting your expectations**. TV antenna DVB-T2 is covered
by **24 months warranty.**

TECHNICAL DATA

Producer	Qoltec
Power	50W
Antenna gain	12 dBi
Frequency	470 - 862 mHz
Impedance	50
Polarization	Vertical
Connector	IEC
Maximum height	103 mm
Cable length	3 m RG58
Additional information	Tightness class: IP67
OTHER PARAMETERS	
Colour	Black
Package contents	TV Antenna DVB-T2
Package depth / length [mm]	85
Package width [mm]	75
Package height [mm]	180
Net weight [kg]	0.0180
Gross weight [kg]	0.1580
Warranty	24 months
EAN code	5901878570167
