

Qoltec USB A male cable | micro USB B male | 1m | BULK

Product code: 50214

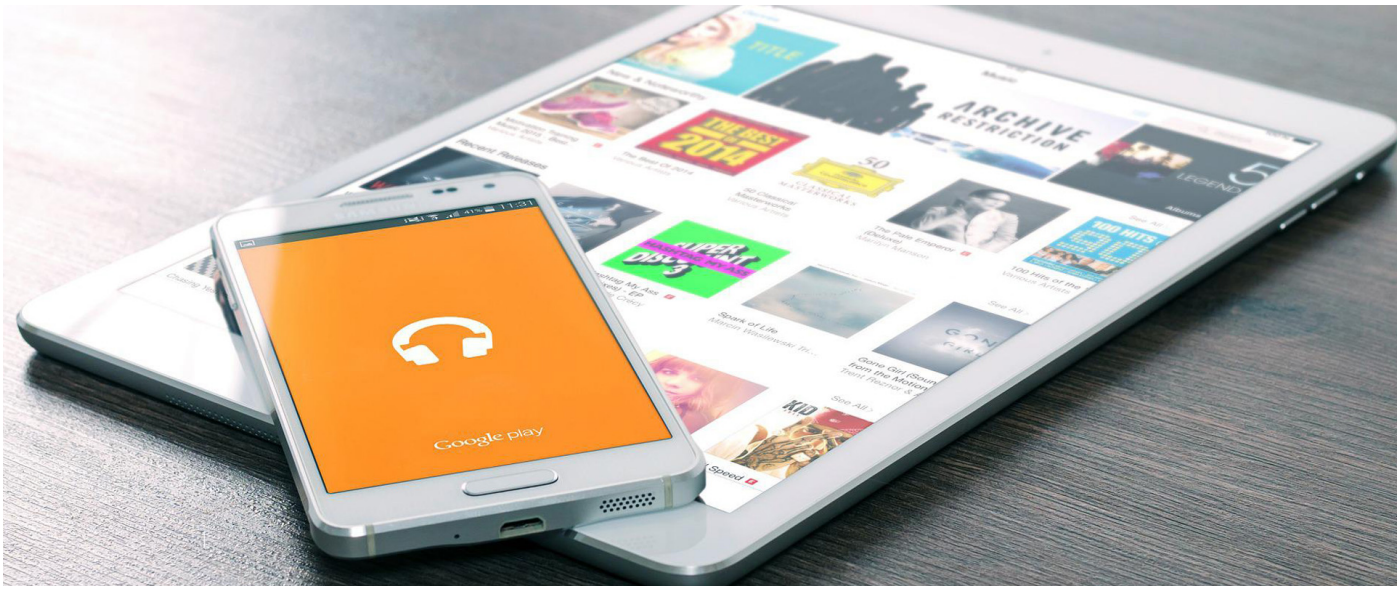

Cable with a micro USB type B , with 1m long, designed for charging and data transfer in mobile devices.

WIDE RANGE OF APPLICATIONS

Qoltec USB A cable with a length of 1m designed for mobile devices with a **MICRO USB connector**. The advantage of the cable is its wide compatibility. It can be, when connected to a charger with a USB A input, used to **transfer files between devices or to charge a smartphone, tablet, headphones, wireless speakers, cameras and other devices with a MICRO USB socket**.

THE MOST POPULAR TYPE OF CONNECTOR FOR CHARGING MOST MOBILE DEVICES

Micro USB B is still the most popular type of connector for charging most mobile devices. Unlike USB C cables, it is distinguished by its distinctive shape, so always remember to connect it with the correct side.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. Each of the USB cables we offer is covered by a **24-month guarantee** valid from the date of purchase.
