

Qoltec HDD SSD 2.5" 3.5" docking station | SATA III | USB 3.0 | Super speed 5Gb/s | with Clonning function

Product code: 50309

The external dual docking station for 2.5" or 3.5" hard drives is a convenient solution for transferring and cloning data between SSD and HDD drives and your computer via USB 3.0. The USB 3.0 interface enables data transfer rates of up to 5 Gb/s. Plug&play function. USB-B cable and power supply included.

WE CREATE SOLUTIONS THAT COUNT EVERY DAY

Fast transfer rates of up to 5 GB/s, support for 2.5" and 3.5" SSD and HDD, USB 3.0 - all in one!

Do you value your time and data protection is important to you? **With transfer speeds of up to 5 GB/s, a USB 3.0 interface, SATA III support and support for SSD and HDD, our docking station offers everything you need in one device!** The docking station has space for two HDD or SSD drives. Whether you use HDD or SSD, our docking station **supports both 2.5" and 3.5" drives** . Rubber feet ensure that the device remains stable during use.

SIMPLY PLUG IN AND ENJOY!

Funkcja Plug&Play - easy operation without installing drivers

Our station works in plug & play mode. **Simply plug it in and use it!** Installing an SSD or HDD is easy, **fast and requires no specialist technical skills**.

OFFLINE CLONING - SAFE AND CONVENIENT

Two options for copying data - directly or offline

This docking station model offers two different ways of copying data:

You can place the hard drive in port A or B, connect the docking station to your computer with a USB cable and power supply, and then proceed to copy.

The second way is **offline copying.** Cloning takes place without being connected to a computer. Simply place the two drives in ports A and B, then switch on the power. The cloning process starts when you hold down the COPY button for 3s, and t**he progress and completion of the process is indicated by the indicator lights**.

CONVENIENT AND UNIVERSAL SOLUTION FOR SSDS AND HDDS

Qoltec docking station - for individuals and small businesses

The device is an interesting alternative not only for people who store documents or private files on disks, but also for small businesses wishing **to archive their computer data** without investing in expensive solutions. The hard disk docking station can also be connected to a TV or monitor equipped with a USB port, in which case it will act as a video player with a **huge storage capacity. If you collect photos and videos on hard disks, this is the product for you.**

CONFIDENCE CONFIRMED BY A WARRANTY

Product with 24 months guarantee

Your trust in our products is a priority. We provide a 24-month warranty for the Qoltec docking station, valid from the date of purchase. Check how it meets your expectations!
