

Qoltec Splitter mini SWITCH 1x2 port RJ45 | 1000Mbps | USB-C | Aluminium

Product code: 52249

The Qoltec splitter allows you to split the signal from a single network cable into two RJ45 outputs, maintaining full data transfer speeds of up to 1000 Mbps for each output. The USB power supply provides additional connection stability over distances of up to 100m. Aluminium housing, gold-plated connectors and reinforced PCB. No additional software installation required.

DISCOVER THE FULL POTENTIAL OF YOUR NETWORK

Stable and fast local network

A reliable and efficient network device that will allow you to split the signal into 2 outputs at a transmission speed of 1000 Mbps. The device will provide you with a stable and fast connection and smooth data transmission over a distance of up to 100 metres. This functionality allows you to uniquely expand the possibilities of using and enjoying your multimedia system, **without the need for additional complex solutions or costly investments** in additional equipment. Now you can enjoy your favourite films, video games or presentations on several receivers at the same time.

FUNCTIONALITY ALWAYS AT HAND

Data rate up to 1 Gbps, signal range up to 100 m

Discover new possibilities with a Qoltec device that offers:
- Signal distance up to 100m,
- Equipped with **3 RJ45 ports** (1 x Input, 2x Output)
- **Data rates up to 1Gbps**,
- Aluminium housing, gold-plated connectors and reinforced PCB
- Works with CAT 5, 5e, 6 network cables.

EXPAND YOUR MULTIMEDIA CAPABILITIES

Simple and quick installation

Our device **offers instant and trouble-free installation**,thanks to Plug&Play technology, which requires no additional configuration or technical expertise. Just a few simple steps are required. Firstly, **connect the devices to the appropriate RJ45 ports using the appropriate network cables** and then connect one of the ports to your router or access modem. Make sure the LEDs on the switch indicate activity on the ports.

TRUST CONFIRMED BY WARRANTY

Product with 24 months guarantee

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. **The product is covered by a 24-month warranty** valid from the day of purchase.

TECHNICAL DATA

Producer	Qoltec
Interface	1x2 RJ45
Max. baud rate	1000Mbps
Power supply	5-12V / 0.6A
Usage	Communication, Internet
Additional information	USB-C cable ~0.90m long
OTHER PARAMETERS	
Colour	Black
Working temperature	-10 C ~ 55
Dimensions (D/L x W x H)	57 x 55 x 20 mm
Package	Box
Package contents	1 x Splitter 1 x USB-C cable 1 x User manual
Package depth / length [mm]	155
Package width [mm]	90
Package height [mm]	25
Net weight [kg]	0.067
Gross weight [kg]	0.094
Warranty	24 months
EAN code	5901878522494
